Though around 2 years worth of gap between the two episodes releases, the show packs quite a lot of scenes catering to a pretty wide array of fetishes and using some of the non-too common plot devices, mainly a dvd that curses whoever watches them to transform (for the 1st ep) and an approximation of the non-too common plot devices, mainly a dvd that curses whoever watches them to transform (for the 1st ep) and an approximation of the non-too common plot devices, mainly a dvd that curses whoever watches them to transform (for the 1st ep) and an approximation of the non-too common plot devices, mainly a dvd that curses whoever watches them to transform (for the 1st ep) and an approximation of the non-too common plot devices, mainly a dvd that curses whoever watches them to transform (for the 1st ep) and an approximation of the non-too common plot devices, mainly a dvd that curses whoever watches the non-too common plot devices, mainly a dvd that curses whoever watches the non-too common plot devices, mainly a dvd that curses whoever watches the non-too common plot devices, mainly a dvd that curses whoever watches the non-too common plot devices, mainly a dvd that curses whoever watches the non-too common plot devices, mainly a dvd that curses whoever watches the non-too common plot devices and the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common plot devices are not appeared to the non-too common p attending. The good: The characters. Again, keep in mind that i'm mostly talking about the 2nd episode here, but be it the fact that the art was done pretty well and that they're all pretty lovable in their own way. Especially on how they interacted with one another even if those scenes were pretty rare and short. The plot and premise. You don't get a lot of hentais starting with a cursed dvd video turning girls into succubi or twin sisters into futanaris. Though ones with love potions/aphrodisiacs aren't too rare, I still feel like it was handled pretty well here. The plot's not exactly deep, but it's certainly more than enough to keep you from getting bored or too impatient to just skip to the scenes The soundtrack. A couple of the tracks stood out for me which is always cool, and also the ending theme left me jamming along with the recap video. The art and animation. Like I said earlier, the girls are really cute and the artwork was done pretty well. Animations are pretty good too but could've used juuuust a bit more improvement, but overall it's pretty good. The bad: Not much to say. It's a pretty solid release, even with the huge gap between the episodes, they're still both pretty good and worth watching. Things that might turn you off: Futanari Bondage Lots of cross-section and x-ray shots Final Verdict: As much as I don't completely remember the first ep, it was pretty great from what I remember and the second ep is not too different in that regard. A show that's definitely worth watching if you're into the stuff listed since it caters to a pretty wild paired with good art, cute girls and nice animation. And yeah, Elena best girl. In the first episode, a rumour about a DVD is doing the rounds at a school: anyone who watches the DVD will be cursed. The first episode is about Mika Akuno, who doesn't believe the rumour but watches the DVD out of curiosity. She then turns into a succubus and loses all control over her lust. The second part of the first episode is about the girl Kana, whose friends are afraid to watch the DVD. However, they want to know what the DVD is about. Kana then agrees to watch the DVD, but this is not without consequences In the second episode, Kazuki and Hibiki, best friends since childhood, attend the same school where magic is taught. When Kazuki reveals he is in love with Elena, Hibiki provides him with some samples of the love potion in her possession. This sets an exciting chain of events in motion Source: www.anisearch.com/anime/9022Die beiden Episoden erzhlen vllig unabhngige Geschichten. In der ersten Episode macht an einer Schule ein Gercht ber eine DVD die Runde: Jeder, der sich die DVD ansieht, wird verflucht. Im ersten Teil der ersten Episode geht es um Mika Akuno, die dem Gercht wenig Glauben schenkt, sich jedoch aus Neugier die DVD ansieht. Sie verwandelt sich daraufhin in einen Sukkubus und verliert jegliche Kontrolle ber ihre Lust. Im zweiten Teil der ersten Episode geht es um das Mdchen Kana, deren Freundinnen es sich nicht trauen, die DVD anzusehen. Jedoch wollen sie wissen, um was es in der DVD geht. Kana erklrt sich daraufhin bereit, die DVD anzusehen, doch bleibt auch dies nicht ohne Folgen In der zweiten Episode besuchen Kazuki zu verstehen gibt, dass er in Elena verliebt ist, stellt Hibiki ihm einige Proben des Liebestrankes zur Verfgung, die sich in ihrem Besitz befinden. Damit setzt sie eine aufregende Kette von Ereignissen in Gang Quelle: www.anisearch.de/anime/9022Mini-srie tlvise2013 1hAjouter une intrigue dans votre langueThere's a rumor about a DVD that curses anyone who watches it.
