It was released for Android and iOS (iPhone, iPod Touch and iPad) on 7 June 2013. It is the sixth (Seventh contention of Gangstar City) in the Gangstar series ; It is preceded by Gangstar Rio: City of Saints and has succeeded by Gangstar: New Orleans. Gangstar Vegas is located in the modern day Las Vegas, Nevada. The story revolves around Jason Malone, a skilled martial arts fighter mixed that It is targeted by Frank Veliano after winning in a part TA. Like games in the Grand Theft Auto Series, Gangstar Vegas has elements of guiding games and third-person shooter, and presents the "Open-World" gameplay that gives the player more control over their gaming experience. At the time of its release, he received conflicting reviews from critics and players, who criticized the graphics, animation and the latest software updates, but praised music and the extensive use of three-dimensional (3D) graphics, which some players have Noted as an improvement over the previous 3D version of the main installment. It was also a commercial success, having been downloaded over 100 million times on Android and iOS. Gameplay Gangstar Vegas is a video game of adventure open-person-world-adventure; The graphic perspective is able to be designed. The world of the game can be crossed on foot or by vehicle. It is structured in a similar way to the previous games in the series and extension, to the Grand Cars and its numerous "clones". Pedestrians can be killed, mainly for the player to get collectible objects, and vehicles can be destroyed. The world of the general game is much larger, with Gameloft Marketing as "the largest open world of Gangstar". In in The leading missions of history, players can freely wander and / or participate in different collateral activities such as Gang Wars, Bank Mapie, street racing and underground fighting tournaments. Even the management of the property is present, allowing the player to obtain income through the companies acquired during the course of the game. In line with the theme of Las Vegas del Game, Casino Minigames were also introduced as Video Poker, Blackjack and Slot Machine, along with several establishments such as a nightclub and minisc. [1] There are over 80 missions [2] composed of action, shooting, racing and theft. The player can join "parties" in gang wars with Flammethrowers, Molotov cocktails, grenaders and many more lethal weapons. Additional content A number of software updates have been added to Gangstar Vegas after its initial version, including a Gangstar package of Santi Row-Esqu Vs. Aliens, [3] and a Christmas-themed update that adds new clothes and vehicles such as a rocket-powered sled. Furthermore, the game was released as a free title, with bonus content available through microtrossentations. [4] His frequent use update has also received criticism from some fans and critics, who noted the lack of weapons, vehicles and costumes and laggy graphics. PLOT Professional MMA Fighter Jason "The Kid" Malone is corrupted by the casino owner and the powerful head of the Mafia Don Frank Veliano to take a dive in a match against Pietro Holston. Frank told Jason to fall into the fourth round, but Pietro falls before Jason can take the dive. As a result, it is chased by Frank and from the henchmen of him before Karen Olsen, the accountant and the Bodyguard of Vera "Leatherface" Montello, arrives and helps him to escape. Jason subsequently works for the Queenpin, Kar n and Eric Montello (most commonly known as "E-Man"), a drug tralier and drug matrix, mostly in causing chaos against Velianos. Frank and the henchmen of him later strew the celebration of Montello, capturing Jason and forcing him to work for the Velianos, including Benny, the right man of Benny, Frank, and the candidate of the mayor Rev. Winston "preacher" Goodman. Jason steals a boat, a seaplane and a helicopter for Velianos, next to fighting Huevos, a Hispanic road band. After crashing the Huevos party, however, Jason discovers that the Velianos kidnapped Karen and are forcing true to deliver his Strip, Fire and Vice club, to Frank in exchange for Karen. Jason helps the Montellos to save Karen by stealing wire touching devices from a military base and planning it to locate the position of Frank and Karen. Later he joins Eric and Vera for Raid Frank's Casino, where Karen takes place. Then save him and escape the Frank soldiers, but at the cost of sacrificing Vera to stop the reinforcements, out of remorse for bribing Peter to lose the fight MMA. Eranged from the loss of real, and the truth that Frank ordered the murder of his father, Karen wants Jason outside the war of the mafia. Jason save her from a veliano again, convincing her to accept her help. Karen Kisses Jason (it is also possible that they form in Jason's whiptail, since the scene is faded) before rebalancing fire and vice. Jason later Sabides's Frank's Villa and uses the media (the only vegas business not controlled by a veliano) to make fun of the incompetence of the LVPD (Frank also won the police). Finding that Benny was arrested, Frank tries to remove him from the system of him. Jason saves in Benny while the crowd of the veliano intercepts the convoy of the police. Benny has the photos of the Dissebbie of Goodman, who is then threatened by Jason to make the candidate of the mayor against Frank run, otherwise the photos have leaked. Article and And with the FBI on his tail, Frank tries to escape Las Vegas with his money. Jason faces him on the Demolition Ball Hotel Casino Tower (a parody of the Las Vegas stratosphere) with a helicopter, just to have Frank by shooting him, losing the helicopter fuel tank in the process. Jason defeats Frank in A Fistfight, but the latter pushes the Of money on him, almost making him fall the building. Jason illuminates gasoline and throws him to Frank, establishing the head of the mafia fallen into flames and falling to the death of him, and parachutes on Karen's St r r (a parody of Bugatti Veyron), Reception RecisGragateGregate Scoregggratecoremetacritic61 / 100 [5] Review ScorepublicationScoretoucharcade [1] The game received conflicting reviews at the time of release, gaining a score of 61 out of 100 in Metacritic. [5] TouchArcade gave Gangstar Vegas four stars out of five in a review, called the game "Open fun, violent, fun filled with destruction" and praised the graphic of the game, but criticized the "Hit and Miss" voice that Recites the voice, controls and technical issues.
