With a compact size, it's a great solution for small and medium businesses as well as anyone getting ready for a move. Offers the same protection as plastic bubble packaging without harming the environment. Dual dispenser provides 450' of die-cut kraft paper as well as a layer of white tissue paper. Die-cut paper expands as it dispenses into a honeycomblike structure that provides excellent cushioning properties. Strong shock-absorbent material offers superb cushioning protection, while the tissue paper protects products from abrasion. Innovative honeycomb paper eliminates the need for tape and cutting. Small footprint allows the honeycomb wrapping paper roll to be placed on any tabletop or in any packaging area. Kraft paper cushioning is a 100% sustainable, biodegradable, and curbside recyclable alternative to traditional bubble and plastic packaging provides a better unboxing or shipping, to crafting and poster making, the Flourish 100% recycled kraft paper is a simple alternative for a more sustainable life. Made from 100% recycled content, this prown shipping paper is curbside recyclable in your standard recycling bin. Featuring a durable 60 lb. weight, this paper protects items better than lightweight kraft paper, but still can be torn by hand or cut with scissors for ease of use.
