In the last 4 of the 5 times that I come, there is never any Hazel nut coffee at 8:30 in the morning. Also my order is always wrong. I order 6 bagels, not cut put into a plastic bag. For some reason, maybe force of habit they cut the bagels and put it in a brown bag. I have to ask again if they can transfer it to a clear plastic bag so I can put it in my freezer. The tables are usually clean but they forget to get the cookie crumbs off the seats. I've eaten at several Panera's around the country and always received excellent service and food. Surprise, not here. The order counter service is so slow after the third time I gave up and walked out. Heaven help anyone that goes there for a workday lunch, unless they have at least an hour. I give a poor rating for only one reason, they have the Sierra Turkey sandwich on the menu, where as my local Panera's and ONLY offer half and half creamer available? What is that all about? Detailed Reviews: Reviews order informed by descriptiveness of user-identified themes such as cleanliness, atmosphere, general tips and location information. Super Slow Service at LunchtimeSeriously about to starve. These people are so slow. I could go to a full serve restaurant and get faster service. Food is always good though, and that's the only reason I come here. I order Panera quite a bit while I am at work. This time I was disappointed in a few things. I ordered a Cuban, and I like to have extra sauce to dip my sandwich in. When I opened the container there was hardly any sauce in it. I barely got 3 bites with sauce on it. Also, my co-worker ordered a sandwich. The cheese slice was not even half, and it was a half sandwich. These are simple things that are mundane to most, but if done correctly could have totally made our day. Do we have to specify a FULL CUP OF SAUCE and a NORMAL SLICE OF CHEESE??? love Panera Bread and this location does it justice. Really good sandwiches and soups. Fresh breads of different types. Fresh vegetables. Beware, not the standard you come to expectI've eaten at several Panera's around the country and always received excellent service and food. Surprise, not here. The order country and always received excellent service and food. Surprise, not here. a workday lunch, unless they have at least an hour. I give a poor rating for only one reason, they have the Sierra Turkey sandwich on the menu, where as my local Panera doesn't. One other thing I found odd and not usual. They don't keep the variety of coffee usual at other Panera's and ONLY offer half and half creamer available? What is that all about? An ordering mistake on our part lead to the manager and staff going above and beyond expectations. They are superstars here. Perfect service. I love their breads and soups. Desserts are very good. Usually a fast place to eat when you are in a rush. My grandson and I needed a quick but healthy lunch. We stopped in and placed our order (soup for me and pasta for him). Both were served up quickly and we were on our way. Better than a fast food restaurant any time of the day. Went late in the evening around 8 PM, and it was still awesome food and excellent service! I am always impressed with this place! The food was great, miss the tomato mozzarella sandwich, but still love the seasonal strawberry salad! Nice and clean! Great people! Reliable, and busy, place for breakfast. Good bagels and muffins. Ok — but very bored looking — serving ladies. Bad coffee. Fair price. Would go back as you know what you will get and get it! Point. Great place to have a casual breakfast or brunch. Wide choice of baked goods. Bagel with cream cheese is good for a casual Saturday morning breakfast, however the menu includes many other choices. Sometimes order is right, sometimes notFood is pretty good. Not a fan of the turkey cranberry sandwich, gets bread soggy and taste is just okay. Broccoli and cheese soup is great, can also be purchased at Walmart for about \$4.99. Cheese bagel is great. Cranberry orange scone is a wonderful little sweet treat. Ham sandwich is good. Chips are kettle made so we usually pass on them. Service is slow at drive through as the orders are made to order. Looking for healthy options while on large school trip, this was the go to location. Also did great job catering for our journey homeThis Panera is especially convenient when I am coming into Oak Ridge via Illinois Avenue. The people are nice and the food is a bit better than that of other locations. I arrived in Oak Ridge recently around 8 pm. I hadn't eaten yet so I stopped by Panera Bread for a simple meal. The lady at the register was very nice and quick at taking my order. The restaurant was clean enough. My chipotle chicken avocado melt and cobb salad were very good. The only down side was that appeared to be winding down for the night (closing at night) and some of the kitchen staff seemed to have let down their guard a bit and were having a loud argument (cursing and all). They didn't seem to know that the customers could hear all of it. Soon after, the store merged with Au Bon Pain Co., Inc., a bakery-café concept that became popular in urban areas like shopping malls and airports. In 1993, Au Bon Pain Co. acquired a small bakery-cafe chain known as Saint Louis Bread Company, which operated 20 locations in Missouri at the time. By 1997, the company rebranded Saint Louis Bread Company as Panera Bread, a name derived from the Latin word meaning bread basket, symbolizing the brand's focus on quality bread and fresh food. Along with the rebranding, the menu was expanded to include soups, salads, sandwiches, and specialty coffee. In 1999, Au Bon Pain Co. sold all its other businesses to focus entirely on Panera Bread, which soon became a pioneer in the fast-casual dining industry by offering freshly prepared, high-quality food in a relaxed setting. By the early 2000s, Panera Bread was growing rapidly and opened hundreds of new locations across the USA and Canada. In 2017, the German investment group JAB Holding Company acquired Panera Bread for \$7.5 billion. Following this acquisition, Panera Bread embraced technology, introducing digital ordering systems, delivery services, and plant-based menu options to meet changing customer demands. Today, Panera Bread has thousands of locations across the USA and Canada. It's recognized as a leader in healthy, fresh, and convenient dining. The brand is especially loved for its variety of vegetarian and vegan friendly menu options, such as soups, salads, bagels, and sandwiches. Panera Bread is also renowned for its commitment to clean food, ensuring that all its products are free from artificial preservatives, sweeteners, flavors, and colors. Its bakery-café model emphasizes freshly baked goods, including bread and pastries made daily. The brand also focuses on enhancing the customer experience with loyalty programs, mobile apps, and convenient pickup and delivery options.
