This version of the driver contains MIDI input timing improvements. After selecting the Have Disk button, type C:FLYER, and click OK to continue with the installation steps. Expand the .zip. Create a FreeMIDI Device in your FreeMIDI Configuration and assign the control surface window. Step-by-step configuration instructions are provided in the "MackieConfig.pdf" doc which is included in this archive. No new features.. Refer to the installed DP 4.52 Update Notes.pdf for changes/updates to this version. To determine which firmware version is currently installed on your Traveler mk3, look at the front panel LCD while the interface boots or check the Traveler mk3 tab of the MOTU Audio Setup application. Unzip with WinZip or similar utility. File Name: m5xfull 1.2.hqx Type: updater Date: 2004/06/26 Language: english Version: 1.2 Size: 68.0MB Platform: Mac OSX MachFive 1.2 for Mac OSX MachFive 1.2 for Mac OSX adds streaming functionality to MAS, AU, VST, RTAS and HTDM. This update includes several minor program enhancements. Unzip and double-click installer. Extract the ZIP archive to access CueMix FX TouchOSC layouts v1.0. File Name: MachFive 3.1.4 Update Win64.zip Type: application Date: 2013/02/19 Language: english, japanese Version: 3.1.4 Size: 113.3MB Platform: Windows Vista 64-bit, Windows Vista 64-bit the full 3.0.1 installer first, and then run this 3.1.4 update. Compatibility: Mac OS X (versions 10.6.8, 10.7.x, 10.11.x, 10.12.x, 10.11.x, 10.11. 32-bit, Windows 7 64-bit, Windows 8 32-bit, Windows 8 64-bit This is the installer for Digital Performer 9.52. Click here to determine which MIDI Express PC update drivers to download. Double-click patcher, locate the application to update, and update File Name: hui 1.01.sit.hqx Type: driver Date: 2000/08/23 Language: Version: 2.72/1.01 Size: 0.11MB Platform: Mac OS9 If you use the Mackie HUI Control Surface with Digital Performer 2.7, this is an update plug-in for 2.71. Follow on-screen installer instructions. It requires a previously installed and authorized Ethno Instrument version 2.0.0, 2.0.1 or 2.0.2 to install. File Name: Travelermk3 1 02-Win.zip Type: updater Date: 2011/08/08

Language: english Version: 1.02 Size: 0.5MB Platform: Windows XP Pro, Windows Vista 32-bit, Windows 7 32-bit, Windows 7 64-bit This installer updates a Traveler mk3 to firmware version 1.02. Unzip and run installer.
