THE RUNDOWNKaty Perry wont be at Jeff Bezos and Lauren Snchezs Venice wedding this weekendbut not because of her recent breakup with Orlando Bloom, who is attending.Perry has work commitments in Australia.Snchez shared a public message to Perry on Friday after the singer shared photos of herself in Australia.Katy Perrys ex-fianc, Orlando Bloom, has been in Venice, Italy, this week for the wedding of their friends Jeff Bezos and Lauren Snchez. Perry wont be joining the weekend nuptialsbut not because of any drama between her and Bloom. Perry has to work: She is performing at Adelaide Entertainment Centre in Australia on June 26, 27, 29, and 30 as part of her Lifetimes Tour. After her Adelaide shows, the singer will get a little break before her next concert date on July 10 at Denvers Ball Arena. On Friday, Snchez posted a message of support on Perrys Instagram. The singer shared a carousel of photos documenting her time in Australia, which included some yacht and zoo time. Mood: Quokka, Perry wrote. Snchez commented, We miss you Katy View full post on InstagramIn relationship and that its better to live separate lives. Its been a difficult period for Perry, the source added: Shes felt a lot of pressure about her tour and now this. Its been a lot for her. Shes still doing great though. She and Bloom are now focused on co-parenting their 4-year-old daughter, Daisy. Katy has every intention of maintaining a positive and respectful relationship with Orlando, a source explained to People. Hes the father of their daughter, and that will always come first for her. They e been through a lot together and while they been through a lot together. For the sake of their daughter, theyre committed to keeping things amicable. While Perry isnt at the wedding, many celebrities are. Stars spotted in Venice for the nuptials so far include Kim Kardashian, Kylie Jenner, Kendall Jenner, Sydney Sweeney, Tom Brady, and Oprah Winfrey. Katy Perry and Orlando Bloom have split after nine years togetherThe pair share daughter Daisy, 4Now, "they feel there is no going back to a healthy relationship," a source tells PEOPLE Katy Perry and Orlando Bloom are navigating a new normal. The pop star, 40, and the actor, 48, have parted ways, PEOPLE confirmed and "the split is amicable," a source tells PEOPLE. Adds the source: "They got to a point where they feel there is no going back to a healthy relationship and that its better to live separate lives." The uncoupling comes as Perry who shares daughter Daisy, 4, with former fianc Bloom is on the road abroad for her Lifetimes Tour. Katy Perry and Orlando Bloom at the 2024 MTV Video Music Awards. "Shes felt a lot of pressure about her tour and now this. Its been a lot for her," the source adds. "Shes still doing great though." Earlier this month, a source told PEOPLE that the "Firework" singer and the Pirates of the Caribbean actor's relationship was "pretty much done" and that they "dont really see them being able to turn things around here." The source added, "Its been breaking down the last couple of months and isnt looking good." Never miss a story sign up for PEOPLE's free daily newsletter to stay up-to-date on the best of what PEOPLE has to offer, from celebrity news to compelling human interest stories. Perry and Bloom met at a Golden Globes afterparty in 2016 and began dating not long after. Though they broke up in 2017, they got back together the following year. Bloom proposed to Perry in 2019 and had planned to wed in the summer of 2020 in Japan. However, they indefinitely postponed their wedding due to the coronavirus pandemic. They welcomed daughter Daisy Dove in August 2020. Katy Perry performing on her Lifetimes Tour in Mexico City in April 2025. Perry will wrap the Australian leg of her career-spanning Lifetimes Tour in late June before picking back up in North America through July and August. She'll embark on the South America tour dates in September before heading to Europe throughout the fall and Asia to finish up in December. Katy Perry and Orlando Bloom, who hit up the Vanity Fair Oscars party in March, have parted ways. Katy Perry and Orlando Bloom have ended their relationship after more than nine years together, according to reports. So much for Legolas-ting love? The news was confirmed by outlets left and right, with People quoting a source who said a couple of weeks ago that the relationship was pretty much done after breaking down the last couple of months. Maybe Perry needed more space. Alas, representatives for both parties did not respond immediately to The Times requests for an official stamp of authenticity on the split. The two have been together, on the heels of Perrys relationship with John Mayer. Bloom and Miranda Kerr had divorced amicably a few years earlier, and he and the Roar singer were spotted together at events one after another. Dating ensued. Bloom, 48, and Perry, 40, split up for about a year starting in 2017, but got engaged in 2019. Daughter Daisy Dove was born the next summer. We are floating with love and wonder from the safe and healthy arrival of our daughter, the couple said on social media at the time. They made headlines in mid-2020 and again in late 2023 over a Montecito mansion Perry bought from a man in his 80s who later tried to snuff the deal and get the house back, saying he hadnt been in his right mind when he agreed to the sale. The singer got her way in court after a judge decided the evidence indicated the man, who founded 1-800-Flowers, was well enough to sign on the dotted line. Perry, whose current tour is in support of her 143 album, jaunted into space in mid-April on a Jeff Bezos rocket ship. While in the sky, the singer warbled What a Wonderful World and flashed a daisy shed brought along, then kissed the Earth when she and her all-female flightmates landed. Some earthlings were less than impressed. Backlash ensued. Perry said she felt like a human pinata. Sympathy was slim. Bloom and Perry are in touch and coparenting, according to an Us Weekly source, and will continue living in the Montecito area so their daughter has stability. The outlet reported that the two split up in April, before Perrys Lifetimes Tour kicked off. Then on Thursday, TMZ spotted the Lord of the Rings actor alone in Venice, chatting up some Kardashians and other guests ahead of billionaire Bezos wedding to Lauren Sanchez. Looks like he got custody of the invitation. A source connected to Perry told Us Weekly recently that the singer, whose marriage to Russell Brand ended in 2011, was upset but relieved to not have to go through another divorce, as that was the worst time in her life. In addition to Daisy, Bloom has a son, Flynn, with ex-wife and model Kerr. Times staff writer Alexandra Del Rosario contributed to this article. Page 2 Singer Katy Perry and actor Orlando Bloom have welcomed a baby girl named Daisy. Katy Perry and fianc Orlando Bloom are blooming with goodwill over the birth of their daughter, the Smile singer and actor said on Wednesday, first making their birth announcement on UNICEFs Instagram account. (The couple reposted the announcement on their pages too.) The news was accompanied by a touching black-and-white photo of Bloom and Perry, 35, and the second for Bloom, 43. The Lord of the Rings actor has a son named Flynn with ex-wife Miranda Kerr. View this post on Instagram Welcome to the world, Daisy Dove Bloom! We are floating with love and wonder from the safe and healthy arrival of our daughter, Katy and Orlando told us. But we know were the lucky ones and not everyone can have a birthing experiencing a shortage of healthcare workers and every eleven seconds a pregnant woman or newborn dies, mostly from preventable causes. Since COVID-19 many more newborn lives are at risk because of the increased lack of access to water, soap, vaccines and medicines that prevent diseases. Bloom was appointed in 2009. On Wednesday, they used their daughters arrival to further highlight the organizations work during the COVID-19 pandemic. We know were the lucky ones and not everyone can have a birthing experience as peaceful as ours was. Communities around the world are still experiencing a shortage of healthcare workers and every eleven seconds a pregnant woman or newborn dies, mostly from preventable causes, their announcement added. newborn lives at risk because of the increased lack of access to water, soap, vaccines and medicines that prevent diseases. As parents to a newborn, this breaks our hearts, as we empathize with struggling parents now more than ever, they said. As UNICEF Goodwill Ambassadors, we know UNICEF is there, on the ground, doing whatever it takes to make sure every expecting mother has access to a trained health worker and access to quality healthcare. The couple also set up a donation page to celebrate Daisys arrival to support a safe start to life and reimagining a healthier world for every child. The California-bred Perry has continued to work while pregnant during the pandemic. She recently told The Times that she filmed music videos and other promotional material for her forthcoming album, Smile, with a 10-person crew that is continuously tested for COVID-19. That musical baby arrives Friday. As news spread of her recent split with ex-fianc Orlando Bloom, pop superstar Katy Perry is giving fans an update on her life on tour. In a post to her Instagram on Friday (June 27), the singer shared a series of photos and videos of her travels in Australia as part of the current leg of her Lifetimes Tour. The first few pictures show Perry and her team boating out to Rottnest Island, a place that Perry declares she and her crews brain rot can run free. In a final clip, fans can see Perry playing a card game with her crew as she slams her cards down on the table and declares, I won! See latest videos, charts and news The latest snaps and clips come as multiple outlets confirmed that Perry and her partner of nine years have split up. Rumors had circulated for a few weeks claiming that the couple was struggling in their relationship. Billboard has reached out to representatives for both Perry and Bloom for comment. In the meantime, Perry is currently finishing out the Australian leg of her tour before she returns to the United States in July to begin the second half of her North American tour. Stateside shows kick off on July 10 in Denver, and will see Perry travel to cities including San Francisco, Seattle, Detroit, Boston and New York City before closing her U.S. run in Miami on Aug. 23. Celebrity News In order to view the video, please allow Manage Cookies Katy Perry and Orlando Bloom have called it quits after nearly a decade of dating.Katy and Orlando have split but are amicable, a source close to the pair exclusively tells Us Weekly. Its not contentious at the moment. Katy is of course upset but is relieved to not have to go through another divorce, as that was the worst time in her life.According to the insider, Perry, 40, and Blooms split has been a long time coming as things between them have been tense for months. (The pair, who share 4-year-old daughter Daisy, have been apart since Perry kicked off her Lifetimes tour earlier this year.) For now, Perry is keeping busy on tour and is distracted, the insider shares, revealing that while on the road, the pop star is renting out her Westcott Estate in Montecito, California. 2025 kicked off with a slew of celebrity breakups. Two months after 10 years of marriage. Eric and I have been living separately navigating a painful situation in our marriage, she told Us Weekly in a January 13 [] But her and Orlando have always lived in their other Montecito home as their primary residence, the source continues, adding that the duo were planning on making the Westcott home their family home but plans have changed and have been living apart since Katy has been on tour. Katy Perry and Orlando Bloom. Robin Marchant/Getty ImagesPerry and Bloom were first romantically linked in January 2016, after they were spotted at multiple Golden Globes afterparties together. The couple briefly split in March 2020 that she was pregnant with the pairs first baby. Their daughter, Daisy Dove, arrived that August. (Bloom is also the father of son Flynn, 14, with ex-wife Miranda Kerr.) News of Perry and Orlando Bloom attend the 2025 Vanity Fair Oscar Party on March 2, 2025, in Beverly Hills California. Taylor Hill/FilmMagicThey have been spending more and more time apart, a source exclusively told Us in June. Theyve grown apart and arent living the same lives anymore. According to a second insider, the former couples inner circle was well aware of the couples relationship rough patch. Katy Perry and Orlando Blooms relationship included a nude paddleboarding session, a meeting with the pope and just about everything in between before they split in June 2025. The singer and the actor dated from January 2016 to March 2017 before briefly calling it quits. They were officially back together by February 2018, and one [] Its an unspoken thing that they are having issues and have for a while now, the second source said. Everyone around them knows. The second insider added that Bloom was keeping his struggles with Perry close to the vest, but had been out and about more often without her while she was on her Lifetimes Tour, which kicked off in April. Katy has been very busy working, and they are apart often, the second source told Us. That has caused tension. Despite being engaged for six years, the second insider revealed that Perry and Bloom never set a date for the wedding or got around to planning anything about their little one. The actor became a father in 2011 when he and his ex-wife, Miranda Kerr, welcomed their son, Flynn. While the pair split two years later, they continue to coparent. The models husband, Evan Spiegel, praised their [] Throughout their years of dating in the spotlight, the couple have been forthcoming about their ups and downs, with Perry sharing via Instagram in April 2023 that they continuously put in the work to maintain their relationship. As for Bloom, he explained in April 2024 how the pairs fame affected their romance. I wouldnt change it for anything, even when sometimes it feels like, How do we do this? Bloom said on Trevor Noahs What Now? podcast at the time. Because weve got these two giant Contemporary Genres Pop Music Katy Perry (born October 25, 1984, Santa Barbara, California, U.S.) is an American pop singer who gained fame for a string of anthemic and often sexually suggestive hit songs, as well as for a playfully cartoonish sense of style. Her popular singles include I Kissed a Girl, Last Friday Night (T.G.I.F.), Roar, and Rise. Katy Hudson was raised in southern California, the middle child of two itinerant born-again Christian ministers. Nonreligious music was forbidden in the Hudson household, and she grew up singing church hymns and gospel tunes. As a teenager, she learned to play the guitar and sought a musical career in Nashville with a Christian record label, but her debut album, the gospel-influenced Katy Hudson (2001), sold poorly. By then, however, Hudson had found new musical models in such rock artists as Freddie Mercury and Alanis Morissette, whom she had discovered through friends. She soon moved to Los Angeles to pursue success in the secular music realm, adopting her mothers maiden name Perry, to avoid confusion with the actress Kate Hudson. Perrys initial efforts at mainstream stardom were fruitless, with two separate record labels signing and subsequently dropping her before any material was released. In 2007, however, Capitol Records put out Perrys EP Ur So Gay, which attracted modest attention for its cheerfully flippant title track. She made a greater splash several months later with the single I Kissed a Girl, an assertive ode to sexual curiosity backed by a hard-edged electro-pop beat. The song quickly stirred controversy, as some critics derided it for promoting same-sex relations and others charged that the racy scenario it depicted catered to male fantasies of female sexuality. Nevertheless, the combination of titillation and polished melodicism helped I Kissed a Girl become a number one hit in multiple countries, powering sales for her albummuch of which Perry wrote herselfeventually registered sales of more than three million copies in the United States. By late 2009 Perry had become frequent tabloid fodder, largely because of her quirky, vividly colored fashionswhich borrowed variously from 1940s pinup models, burlesque performers, and the kawaii (cute) cultural aesthetic of Japanas well as her high-profile relationship with English comedian Russell Brand, to whom she was briefly married (201012). After recording the stripped-down live album MTV Unplugged (2009), Perry returned to the studio. The resulting release, Teenage Dream (2010), which provided a broader showcase for her full-throated voice, was even more commercially successful than One of the Boys, spawning such hits as the warm-weather frivolity California Gurls (featuring rapper Snoop Dogg) and the inspirational Firework. When Last Friday Night (T.G.I.F.) reached the top of the Billboard Hot 100 chart in mid-2011, Perry tied Michael Jacksons record of five number one songs from a single album. next release, Prism (2013), which produced, among other hits, the anthemic Roar. Her 2016 single Rise was featured in television coverage of that years Olympic Games in Rio de Janeiro. Perrys fifth studio album, Witness (2017), more introspective than her earlier work, was less well received. She returned to mainstream pop with the empowermentoriented Smile (2020). Perry later released 143(2024), which was notable for its negative reviews. While critics often disparaged Perrys songs as vapid, the music industry was generally kinder, rewarding her with several Grammy Award nominations, including album of the year for Teenage Dream. In 2011 she made her big-screen acting debut, providing the voice of Smurfette in the film The Smurfs, and she reprised the role for a 2013 sequel. She was also the subject of the 3-D concert-tour documentary Katy Perry: Part of Me (2012). From 2018 to 2024 Perry was one of six passengers on an all-female commercial spaceflight on Amazon founder Jeff Bezoss Blue Origin rocket. During the 11-minute flight, Perry sang Louis Armstrongs classic What a Wonderful World to her fellow space tourists, which included journalist Gayle King and former National Aeronautics and Space Administration rocket scientist Aisha Bowe. Following her marriage (201012) to Russell Brand, Perry became engaged to actor Orlando Bloom in 2018. Two years later, they had a daughter. John M. Cunningham The Editors of Encyclopaedia Britannica 1984-presentAmerican pop singer Katy Perry initially attempted to break into the music business with a gospel album. Her image radically changed by the time of her 2008 smash single "I Kissed a Girl," from One of the Boys, and she went on to top the charts with the follow-up albums Teenage Dream, Prism and Witness. Perry is also known for her performance during the 2015 Super Bowl halftime show, her marriage to comedian Russell Brand and her selection as a judge for American Idol.Early Life and Musical AspirationsKaty Perry was born Katheryn Elizabeth Hudson was born on October 25, 1984, in Santa Barbara, California. Fans might be surprised to learn that the singer who writes about sexual exploration in "I Kissed a Girl" grew up in a very conservative family. Both of her parents are pastors, and they refused to let her listen to any rock or popular music. "The only things I was allowed to listen to were the Sister Act 1 and 2 soundtracks," Perry told Entertainment Weekly. She and her two siblings were also not permitted to watch such cable channels as MTV and VH1.Perry started taking singing lessons around the age of 9 and learned to play guitar when she was 13. Around this time, she began rebelling against her strict upbringing by piercing her own nose. She soon became interested in pursuing a career in music. With her mother, Perry made several trips to Nashville to record a gospel album, Katy Hudson, which was released in 2001. "It reached literally maybe 100 people, and then the label went bankrupt," Perry explained to Entertainment Weekly.As a teenager, Perry was exposed to other musical influences. One friend introduced her to the music of Queen, which remains one of her favorite groups. "I'm very inspired by Freddie Mercury and how flamboyant and theatrical he was," she told fashion magazine WWD.In high school, she strove to be her own person, choosing not to limit herself to one social group. "I was a hop-around. I hung out with the rockabilly crew, the guys who were trying to be rappers, the funny kids," she told Seventeen magazine. Focused on her music, Perry got her GED and moved to Los Angeles to work with producer and songwriter Glen Ballard, who had collaborated with such artists as Christina Aguilera and Alanis Morissette. She was only 17 years of living in L.A. with no money, writing bad checks, selling my clothes to make rent, [and] borrowing money," she told Seventeen. Perry also experienced a string of disappointments before getting her big break. She and Ballard were unable to find a record company willing to take them on, and her 2004 collaboration with music producers-turned-performers The Matrix was scrapped shortly before the project was to be released. After having three record deals fall apart, Perry finally signed with Capitol Records in 2007. Albums and Songs'One of the Boys'Following the November 2007 release of the single "Ur So Gay," which caught the attention of Madonna, Perry saw her career take off with her next effort, "I Kissed a Girl." The song hit the top of the charts in the summer of 2008, propelling Perry's album, One of the Boys, into the Billboard Top 10. A follow-up single, "Hot n Cold," also charted highly. Along with earning a Best Female Pop Vocal Performance Grammy nomination, Perry became famous for her theatricality. On the Warped Tour, she performed "I Kissed a Girl" with a giant tube of lip balm, referencing a line in the song. Perry has also jumped into a larger-than-life cake and appeared in a number of wild outfits while onstage. Describing her style as "Lucille Ball meets Bob Mackie," she told Esquire, "It's about innuendo. I want everybody to get the joke, but I want them to think about it for a minute."In 2009, Perry appeared in her own acoustic special on MTV. The soundtrack from the show, Katy Perry: MTV Unplugged, was released around the same time. 'Teenage Dream' Picking up where she left off, Perry released a new single with Snoop Dogg, "California Gurls," in May 2010. The single shot to the top of the charts, paving the way for its accompanying studio album, Teenage Dream, to do the same. Perry's follow-up singles, "Teenage Dream," "Firework," "E.T." and "Last Friday Night (T.G.I.F.)" all followed the path of "California Gurls," making Perry just the second artist, after Michael Jackson, to have five No. 1 hits from a single album. In 2012, she released a new edition of her hit album, called Teenage Dream: The Complete Confection. The record had several new tracks, including the successful singles "Part of Me" and "Wide Awake." 'Prism'Perry continued to dominate the music charts with 2013's Prism. The album's lead single, "Roar," climbed to No. 1, and "Dark Horse," her collaboration with Juicy J, also spent several weeks in the top spot, pushing Perry past Mariah Carey for most total weeks with a No. 1 hit (46). The album's fifth and final single, "This Is How We Do," featuring Riff Raff, also performed well.'Witness'A few months after the release of "Chained to the Rhythm," with Skip Marley, Perry dropped her latest studio effort, Witness, in June 2017. Witness, in June 2017. Witness debuted in the top spot, giving the artist her third straight No. 1 album. Despite the announcement of the supporting Witness. The Tour, scheduled to run from September 2017 to August 2018, the album's sales dropped in the following weeks; after her previous three albums racked up a combined 17 million in sales, Witness was at a relatively modest total of 840,000 as of January 2018. The artist was back with new music by 2019, beginning with her collaboration with Zedd on "365." She then teamed with Daddy Yankee and Snow for a remix of "Con Calma," before unveiling her new solo single, "Never Really Over," in May.'American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was announced as the first judge selected for the reboot of American Idol' JudgeIn May 2017, Perry was also agreeing to return as host. Perry had previously served as a guest judge on Idol in 2009, temporarily replacing Paula Abdul. Since then, she had turned down offers to appear on other singing competition shows, like The X Factor. The pop star immediately made waves for her behavior during the two-part premiere of season 16 in March 2018: At one point she fell while dancing on stage in high heels, and at another moment she smooched a shy contestant who said he was saving his first kiss for someone special, drawing the ire of many on social media. Perry was the featured performer during the Super Bowl XLIX halftime show. Along with appearances by guest artists Lenny Kravitz and Missy Elliott, the show was remembered for the seeming mismatched choreography of two dancers in shark costumes while Perry belted out "Teenage Dream." Overall, the performance drew a reported 118.5 million viewers, making it the most-watched Super Bowl halftime show to date. Photo: Pascal Le Segretain/Getty ImagesKaty Perry attends the Chanel Haute Couture Fall/Winter 2017-2018 show as part of Haute Couture Fall/Winter 2018-2018 show as part of Haute Couture Fa filed a lawsuit alleging that Perry's hit "Dark Horse" copied the trio's Christian rap song "Joyful Noise," released in 2009 under Gray's stage name, Flame.In July 2019, a federal jury in a Los Angeles ruled in favor of the plaintiffs, with Perry, her five credited co-writers and the four corporations that released and distributed "Dark Horse" all found liable for copyright infringement. The following month, Perry and her collaborators were ordered to pay \$2.78 million in compensation. However, the verdict was overturned upon appeal in March 2020, with a federal judge determining that the disputed portion of "Dark Horse" an eight-note ostinato that runs through much of the song was not distinctive enough to be protected by copyright laws. Movies and Other Endeavors The autobiographical documentary Katy Perry: Part of Me (2012), which featured behind-the-scenes footage and clips of young Perry along with her dazzling concert performances. She also voiced the character of Smurfette for The Smurfs (2011) and The Smurfs 2 (2013) and made a cameo as herself in Zoolander 2 (2016). In 2014, Perry also launched her own music label, Metamorphosis Music, as a subsidiary of Capitol. The label changed its name to Unsub Records in 2016. After visiting Madagascar on behalf of UNICEF in April 2013, Perry became a UNICEF Goodwill Ambassador late in the year. In February 2020, she was named an ambassador of the British Asian Trust by Britain's Prince Charles. Personal LifeIn 2009, Perry made tabloid headlines for her relationship with British comedian Russell Brand. They were engaged over the New Year's holiday while on a trip to India, and on October 23, 2010, the couple married in India in a traditional Hindu ceremony. According to The Times of India, the wedding featured a procession of camels, elephants and horses, plus fire jugglers, snake charmers, dancers and musicians. Their union, however, did not last long, as Brand filed for divorce in December 2011. Perry has also been romantically linked to musicians John Mayer and Diplo, as well as actor Orlando Bloom. On February 15, 2019, she announced her engagement to Bloom with an Instagram photo that showed her flower-shaped ring. Just after midnight on March 5, Perry delivered another surprise announcement by revealing a baby bump at the end of her new video for "Never Worn White." Feud With Taylor SwiftPerry and Taylor Swift, who both dated John Mayer, ended their friendship after Perry allegedly tried to poach some of Swift's tour dancers. Perry's song "Swish Swish" is a preat anthem for people to use when someone's trying to hold you down, or bully you, Perry said. "I think Swish is a liberation from all the negative that doesn't serve you. On May 8, 2018, Perry put an end to their feud by extending an olive branch literally, she sent Swift an actual olive branch with a note that said, "Ive been doing some reflecting on past miscommunication and hurt feelings between us." Name: Katy Perry Birth date: October 25, 1984Birth State: CaliforniaBirth City: Santa Barbara Astrological Sign: ScorpioSchool: Dos Pueblos High SchoolFact Check: We strive for accuracy and fairness. If you see something that doesn't look right, contact us! The only things I was allowed to listen to were the 'Sister Act' 1 and 2 soundtracks. Ultimately I want Katy Perry to be as much of a household name as Madonna.Biography.com EditorsStaff Editorial Team and ContributorsThe Biography.com staff is a team of people-obsessed and news-hungry editors, and as editors-in-chief of regional media publications. She has a big sister named Angela & a little brother named David, and has English Portuguese, German, Irish, and Scottish ancestry. Her mother's half-brother was directorFrank Perry. Raised in a deeply religious family, Perry's first experience of songwriting and recording demos. She signed to a Christian record label, Red Hill, and recorded analbum, under her birth name of Katy Hudson. The album was not asuccess. At age 17 she moved to Los Angeles and collaborated withproducer Glen Ballard, but was not able tosecure a lasting record deal. Perry did sign to Columbia Records in 2004, but again this did not prove a success, and she was dropped. An executive at Columbia recommended Perry to the chairman of VirginRecords, Jason Flom, which resulted in hersigning for Capitol Music Group. She recorded her second album, "One of the Boys" and in the Spring of 2008 released the lead single, thecontroversial "I Kissed a Girl". The song proved a smash, hitting thenumber one slot in several countries. Other hit singles followed and the album "Teenage Dreams", which spawned morehuge hits including "California Gurls" and "Firework". Many awards and music industry records followed. In 2012 Perry made the move intomovies, releasing the documentary feature filmKaty Perry: Part of Me (2012).Katy has started her own record label news was released to the public. There is also a duet with Katy on his new EP; they are expected to be on tourtogether in North America June 22 in Raleigh, North Carolina-October 11in Houston, Texas.
