Nowhere else on the TOEFL will you be expected to read so much English and know such a wide variety of vocab words. And on top of that, youll have to answer dozens of questions on what youve read. No wonder many TOEFL students feel intimidated by the Reading section. However, TOEFL Reading is actually one of the more straightforward
sections of the exam, and knowing what to expect will make it a lot easier to ace this section on test day. Read this guide to learn exactly what types of questions youll see on this section and how to answer them. We also outlinethe best TOEFL Reading strategies to supercharge your prep and the TOEFL Reading tips that can help you get top score on
test day. Overview of the TOEFL Reading SectionReading is the first section on the TOEFL, and its designed to test your ability to understand university-level academic texts and passages. The variation in time and length is due to the fact that some test takers will have un-
scored experimental questions in their TOEFL Reading section, making it extra long, while others will have experimental and which are graded, so try not to worry about it too much. Each of the TOEFL Reading passages will be about 700 words long,
and theyll be followed by about 12-14 questions. The passages are from university-level textbooks that introduce a topic or discipline. What Types of Questions Are There on TOEFL Reading? You will come across three different types of questions as you read through the TOEFL Reading passages. Since its important to know what to expect, in this
section we explain the different types of question and, for each question type, give an official sample question and response tips. Standard Multiple ChoiceYou likely have a lot of experience with these types of questions. For each question there are four answer choices, only one of which is correct. Youll need to choose the correct one. This is, by far,
the most common question type youll see in TOEFL Reading. These questions may ask you about the passage as a whole, specific sentences or phrases in the passage, or the meaning of a particular word that was used. Sample Question TOEFL Reading Tips for AnsweringRead every answer choice. This may seem like obvious advice, but on the day of
the test its easy to see an option that looks pretty good, choose it, and move along to the next question without checking to make some answer choices sound like the right answer, when theyre actually not. Reading through all your options will help you avoid getting fooled. Look for evidence in the
passage. Every correct answer will be supported by evidence in the passage, even if its not immediately obvious. If youre unsure of which answer is correct, go back and skim the passage for clues. To get more tipson TOEFL Readings tricky Inference questions, watch this video: Inserting a Sentence For each passage, there will be one Inserting a
Sentence question. For these questions, you will be shown a paragraph from the passage, as well as a sentence that is to be added to it. There will be four different places where the new sentence can be inserted, and your job is to select the spot where the sentence best fits. Sample Question TOEFL Reading Tips for AnsweringFor each of the four
options, briefly read through the entire paragraph with the new sentence inserted into the marked place. Dont be tempted to skim the options or stop after the first option if it sounds good enough. These questions are designed to be somewhat tricky, and there will always be answers that sound pretty good but arent the correct answer. By
considering each placement option carefully, youll reduce the chance of answering incorrectly. Consider if the meaning the same. Reading to Learn questions may be less familiar to you. These questions ask you to
organize the main points of the passage in either a chart or a summary. There will be one of these questions for each passage. Unlike the other Reading questions are worth two to three points. It is possible to get partial credit. Sample Question TOEFL Reading Tips for AnsweringThese
questions can be a bit confusing if you havent seen them before, so be sure to practice them while youre studying (see next section for practice materials). For questions that ask you to select main ideas from the passage (like the sample question above), don't be fooled by minor facts. Its easy to think these are the correct answer if theyre mentioned in the passage (like the sample question above).
the passage because it seems like theres supporting evidence, but if it wasnt a main point of the passage, dont include it. Dont be afraid to skim the passage again if you need help answering these questions. Look for main ideas and key points that were made. Always double-check your answer to make sure it seems logical before moving on to the next
question. To get more tips on TOEFL Reading Study StrategiesThis section is fairly straightforward, but you should still prepare for it in order to get your best score on test day. Use these TOEFL Reading Study StrategiesThis section is fairly straightforward, but you should still prepare for it in order to get your best score on test day.
you do in English can help strengthen your skills and help you do better on the TOEFL Reading sections will help you strengthen your critical reading sections will help you strengthen your skills and become more familiar with the types of questions youll see. We have a guide to all the best
TOEFL Reading practice resources, including numerous free and official practice Reading Academic TextsDoing practice Reading Academic TextsDoing practice Reading questions will help you become more familiar with the exam, but you should also be sure to read regularly in order to improve your
critical reading skills. The best material to read is university-level academic texts that introduce a topic, since TOEFL Reading passages come from these types of books. Examples include any university-level books with the words Introduction or Beginning in the title (such as Introduction to Victorian Literature or Beginning Zoology. You can also look
at 100-level college classes and see which textbooks they assign students. These are likely introductory texts. If you dont own any of these books yourself, ask a friend who has started university if you can borrow some of the books they used their first year, or visit your local library for university textbooks. Try to read at least a few pages from these
books every day. Its more useful to do a little reading every day than to try and cram a lot of information, and its not as close to what TOEFL reading comprehension islike. As you read, pause every few paragraphs and think about what youve read. What points is the author trying to
make? How are they supporting those statements? Are there any words you arent sure of? Try to figure out what they mean from their context, but if you still dont know, look them up. (Remember, you wont need to know vocab thats specific to a particular field or subject. For example, if youre reading a biology textbook and come across the phrase,
The cytoplasm was transferred, you should know what transferred means, but you dont need to worry about cytoplasm since its a word you wont often encounter outside the field of biology.) Read the next point for more tips on learning useful vocab words. By reading academic texts regularly, youll improve your English reading skills and be more
prepared for whatever passages the TOEFL throws at you. Strengthen Your Vocabulary strong vocabulary is important for every part of the TOEFL, but it will help you most on the Reading section where youll come across the most words and occasionally have questions that directly ask you what a specific word means. Reading in English regularly
will help you learn new words and expand your vocabulary, and you can also check out our guide to the 327 vocab words you need to know for the TOEFL for more ideas! You dont need to memorize the dictionary, but expanding your vocabulary will help you on TOEFL Reading. Decide if Taking Notes Helps YouSome people find taking brief notes
while theyre reading the passages helps them remember what they read and answer questions more easily. Others don't get much benefit from the notes and only get slowed down by it. Before test day, you should know which method works better for you. While youre taking your practice TOEFL Reading tests, try taking notes for some and no notes for
others. Which method helped you get a higher score? Did you find one made you feel more comfortable or confident than the other? Did you still have enough time to answer all the questions? Think about which one you prefer, and follow that method on exam day. By having your game plan set before you take the actual TOEFL, youll feel more
confident and prepared, which can help you score higher! TOEFL Reading Tips for Test DayReading is the first section youll complete on test day, and youll want to start the test on a high note. Below are four tips to help you get through the Reading section smoothly. Decide How You Want to Approach TOEFL Reading Passages Like we discussed
above with taking notes, different Reading strategies work best for different people, and youll want to have your plan of attack ready when you sit down to take the TOEFL. How should you approach the Reading passages? Some people prefer to read the questions first so they know what to look for when reading, while others dive right into the
passage. For most people, I find its best to start reading the passage when answering questions anyway. However, this approach doesn't work for everyone and, like taking notes, you should try the two methods on practice Reading
sections to figure out which one works best for you. Come test day, youll have a plan for exactly how youll approach the passage and answer the questions. Pace YourselfIf you spend an equal amount of time on each passage and answer the questions. Thats not a lot of time, so youll
need to pace yourself during the exam. Each person will have a slightly different timeline, but you should aim to spend about five minutes reading each question. Taking practice tests will help you refine your time management skills. Dont lose track of time when youre taking the TOEFL Reading section. Dont
Get Tripped Up on One QuestionOn the Reading section especially, its easy to get stuck on one question and keep searching the passage for some clue youve missed. If youre not paying attention, you may not notice that several minutes have slipped by with you staying stuck on the same question. This can really end up hurting your score if you end up
not having enough time to answer other questions, so its something you want to avoid. During the exam, keep an eye on the clock or your watch, and if youve spent a minute on a question if you have time at the end. Use
Context Clues to Figure Out the Meaning of a WordEven if you put a lot of time into expanding your vocabulary and memorize all the words from our vocab list above, youll likely still come across at least one word youre not sure of on TOEFL Reading. When this happens, see if you can use context clues to figure out what the word means. To do this,
reread the entire sentence or even paragraph the word occurs in. Then, try to substitute a similar word that keeps the meaning of the paragraph the same. Once youve done that, look at the answer choice is the right one. Summary: The
Key to Acing TOEFL ReadingMany TOEFL students find the Reading section challenging because they have to read and analyze a lot of English in a short amount of time. Knowing what to expect and taking steps to prepare yourself can go a long way in helping you do well on this section. While youre studying for TOEFL Reading, be sure to take
practice tests, read academic texts, strengthen your vocabulary, and figure out if taking notes while reading, remember to pace yourself, avoid getting stuck on one question and wasting time, and be sure to use context clues to decipher the meaning of tricky words. Whats Next?Not sure what
TOEFL score you should be aiming for?Learn about how the TOEFL is scored and how you can figure out what a good TOEFL score for you is.Want more tips on how to prepare for TOEFL Reading!Which words do you absolutely need to know for the TOEFL? Check out
our guide to learn the 327 best words to learn for the exam. BreakingpicNot at your TOEFL Reading section is especially
advanced. Some of this vocabulary PDF. But another great resource for studying academic Word List. This is a long set of words that linked toacademic English. The list was put together by a team of expert linguists who
worked to find all of the words you commonly see in English-language academic texts and lectures. You can see the full list here. There are also a lot of great online tutorials to help you learn the Academic Word List lessons right here on the
Magoosh TOEFL Blog. Use comprehension strategies to understand new vocabulary and difficult passagesWord lists are helpful, but they don't tell the whole story. You will always find some words on the TOEFL that you havent seen before, or don't remember the meaning of. Find ways to overcome vocabulary road blocks by using context clues. And
make an effort to understand the whole meaning of a sentence, paragraph, or passage, even when you dont understand individual words. Learn to to identify the main ideas in a TOEFL Reading passage this will help you guess at the meaning of difficult words and phrases in each paragraphs supporting details. Balance reading the passage with
answering questions of reading the whole passage first before answering any TOEFL questions. This can waste valuable time. If you read the entire passage before youve looked at any questions, you wont pay attention to the right details for each question. Then youll need to go back and double-check the
passage for answers. Instead, try one of three strategies for reading a TOEFL passage for main ideas before you reading the questions and checking for answers. Another option is to read the passage paragraph by paragraph, answering the
questions for a paragraph as soon as you finish reading it. (In TOEFL Reading, each paragraph has its own subset of questions.) Be very aware of your paceTOEFL Reading is the only section of the TOEFL that has no listening tracks and no time limits per question. So youll need to be very time-conscious. Remember that you should spend about 20
minutes on each passage and question set. This gives you about 1 minute and 25 seconds per question. But its probably better to aim for just one minute per question set. More from Magoosh If youve asked yourself this lately, youre not alone. Many students find the
TOEFL Reading section one of the most time-pressured and confusing parts of the test. With long academic passages, complex vocabulary, and tricky multiple-choice questions, its natural to feel overwhelmedespecially if English isnt your first language. But heres the good news: you dont need to read every single word or memorize thousands of words
to crack it. With the right TOEFL reading strategies, smart time management, and daily practice, you can boost your score significantly even in just a few weeks. In this 2025 expert guide, well break down exactly what to expect in the TOEFL Reading section, how to approach different question types, and proven tips to score 25+. Whether youre
preparing for your first attempt or trying to improve your previous score, these insights will help you read smarter, not harder. Before jumping into strategies, its important to understand how the TOEFL Reading section works in 2025. The more familiar you are with the format, the easier it is to navigate the test confidently. Number of Passages: 34
academic passagesQuestions per Passage: About 10 questionsTime Limit: 5472 minutesTotal Questions: 3040Each passage is approximately 700 words and is similar to what youd find in a university-level textbook. You dont need prior knowledge of the topicsthe TOEFL tests your reading and comprehension skills, not your subject expertise. The
TOEFL Reading section includes various question types. Heres a quick breakdown: Question TypeWhat It TestsFactual InformationDetails mentioned directly in the textNegative Factual Information TypeWhat It TestsFactual InformationDetails mentioned directly in the textNegative Factual InformationDetails mention in the textNegative Factual Information Info
pronoun or word refers to Sentence SimplificationRewriting complex sentences more simplyInsert TextChoosing where a sentence best fitsSummary & Table CompletionIdentifying main ideas and organizing infoEach correct answer = 1 raw pointRaw points are scaled to a score out of 30A score of 2230 is considered strong and can help meet the
requirements of top universities Understanding the structure is the first step. Next, lets dive into actionable strategies to boost your score fast. Cracking the TOEFL Reading section isnt about reading smarter. Lets break down expert-approved strategies that can help you reach a 25+ score. Instead of reading word-by-word,
follow this skimming method: Read the first sentence of each paragraph to get the main ideaNote headings, transitions (like however, therefore, in contrast) Dont get stuck on unfamiliar wordsfocus on overall meaning read the guestions before the passage Underline or
mentally note keywords (names, numbers, definitions) Jump back to the passage and scan for those keywords This approach keeps you focused and avoids wasting time rereading the full text. Many TOEFL reading questions test your understanding, not just memory. For inference or purpose questions, ask: What is the author trying to say? Why did they
mention this? For vocabulary questions, use surrounding words to guess the meaningDont choose the answer that sounds complexchoose the answer that is fully
correct, not just partially trueSet a goal: Spend no more than 90 seconds per questions. If your estuck, make your best guess and mark it (if practicing) Come back only if you have time at the endThese are high-value questions but often the trickiest. For summary questions: Look for sentences that cover the main points Avoid examples or supporting
detailsFor insert text questions: Read before and after each option point to see what fits logically and grammaticallyTime management is crucial in the TOEFL Reading section. Many students know the answersbut simply run out of time. Heres how to avoid that and finish confidently. Youll get 5472 minutes3 or 4 reading passages10 questions per
passageEach passage takes around 1718 minutes (including answering all 10 questions). Dont waste time reading everything. Focus on topic sentences, keywords, and tone. Average time per questions is taking too long, mark
section helps you prepare smarternot harder. The TOEFL Reading passages are academic in nature, drawn from real university-level textbooks and scholarly topics. But dont worryyou wont need any special knowledge of the subject. Everything you need to answer the questions is in the passage itself. Natural Sciences Biology, astronomy, geology,
climate scienceExample: The Greenhouse Effect and Global Temperature RiseSocial SciencesHistory, anthropology, sociology, economicsExample: The Rise of Modernism in 20th Century ArtTechnology & InnovationEngineering, internet, industrial
revolutions Example: The Impact of the Steam Engine on Industry Dense Vocabulary Academic and unfamiliar terms are common. Complex Sentence Structures Long paragraphs and passive voice. Implied Meanings Some answers arent directly stated. Comparisons & Contrasts Youll need to track differences and viewpoints. Tip: Take 12 practice
passages per topic (science, history, humanities) to get used to the writing style and vocabulary patterns. Focus on understanding tone, main idea, and transitions. But never fear! You can still find your PBT percentile rank by using both the percentile information from the iBT percentile
chart and the information in the iBT/PBT conversion score chart below. If youre taking a PBT and need to know the score conversion between theiBT and the PBT (or if youre just curious), then look no further! (Special note: notwoTOEFLs are the same, so these are just general scoring ranges and guidelines.) iBT Total ScorePBT Total Scor
67796 110590 63979 95550 58965 78513 54953 64477 51241 52437 47630 40397 43619 29347 3966 18311 3460 -5310Lets go through an example of how to use this chart to say you earned a 570 on the PBT and you want to know your percentile rank. If you look to see where 570 lands on the iBT/PBT conversion chart, you can see that a PBT score
of 550 589 is equivalent to a 79 95 on the iBT. 570 lies in the lower end of the spectrum, so its probably about equal to an 83 85 on the iBT. The 50th percentile. Whats a Good TOEFL Score? What makes a good TOEFL score of 570, therefore, is approximately the 50th percentile.
depends entirely on you and your reasons for taking the test. TOEFL scoring and score ranks are somewhat subjective; what matters is what you need your score to do for you. The average TOEFL scoring and score ranks are somewhat subjective; what matters is what you need your score to do for you. The average/50th percentile, which is a total score of 84 on the iBT and somewhere between 550 and 589 on the PBT. The average/50th percentile, which is a total score of 84 on the iBT and somewhere between 550 and 589 on the PBT. The average/50th percentile, which is a total score of 84 on the iBT and somewhere between 550 and 589 on the iBT. The average TOEFL score is the 50th percentile, which is a total score of 84 on the iBT and somewhere between 550 and 589 on the iBT. The average/50th percentile, which is a total score of 84 on the iBT and somewhere between 550 and 589 on the iBT. The average/50th percentile, which is a total score of 84 on the iBT and somewhere between 550 and 589 on the iBT. The average/50th percentile, which is a total score of 84 on the iBT and score of 84 on the iBT.
scoremeans that exactly half (50%) of all people who took the test earned a good score. Anything above an 84 on the iBT or a 570(ish) on the PBT could, therefore, be considered a good TOEFL score. The problem
is that different schools require different TOEFL scores, so getting a slightly higher than average score might not be enough to get you into the program. This means that a good TOEFL score depends on what you needif your school requires that have a minimum threshold score that you must earn to be accepted into the program. This means that a good TOEFL score depends on what you needif your school requires that have a minimum threshold score that you must earn to be accepted into the program. This means that a good TOEFL score depends on what you needif your school requires that have a minimum threshold score that you must earn to be accepted into the program. This means that a good TOEFL score depends on what you need if your school requires that have a minimum threshold score that you must earn to be accepted into the program. This means that a good TOEFL score depends on what you need if your school requires that the program of the pro
applicants earn a minimum score of 80 on the iBT TOEFL, then a good iBT TOEFL score of 110 on the iBT, then a good iBT TOEFL score of 20 or 100 total points
on the iBT or 580 or 600 on the PBT. So a score above 90 on the PBT is generally considered a pretty good score will be whateverscore you need to getyou into your specific school(s) of choice. Some schools also
require a specific minimum score per section, so be sure to pay attention to your total TOEFL score is high, you may not meet the minimum standards for a particular section, so be sure to always double-check your schools requirements. The most
common score is at the 50th percentile and most people score that matters is the score that matter that matter that matter that matters is the score that matter that matt
page of your school(s) of choice. Under the language requirement and/or international applicants section, you will see information about their TOEFL test requirements, including whether or not they require the TOEFL, whether they require a minimum TOEFL score, and what that minimum score is. One way to shortcut this process is to type in [school of choice].
name] + admissions + TOEFL.(Note: If this brings you to the wrong admissions page, then you may need to narrow your search by typing undergraduate or graduate admissions.) This will bring you directly to the page on their website where they discuss the TOEFL and provide the necessary info about scoring. Whatever the minimum TOEFL score is
for your school(s) of choice should be your TOEFL score goal. Don't worry about trying to exceed the minimum TOEFL score for your school! The TOEFL is just a tool to demonstrate to the admissions committee that you speak English well enough to attend a university instructed in English. You don't need to use your TOEFL scores to show off. Getting
a TOEFL scorein the 90th+ percentile wont have nearly as much positive impact on your application as an SAT/ACT score in the 90th+ percentile will. If youre applying to multiple schools and they have different minimum TOEFL requirements, or if some of your schools dont have a minimum TOEFL score requirement, then set your score goal to the
highest minimum score on your school list. That way youll be aiming to reach or exceed the TOEFL score requirements for all the schools on your application list. Aim for the top score you need so that the rest will be an easy win. TOEFL score Range: What You Need to KnowThe more information you know about the TOEFL, the more prepared youll
be for the test. Knowing your potential minimum and maximum TOEFL scores, as well as what is widely considered to be a good or bad TOEFL score will give you an idea of where you stand and will help guide you in your studies (or even potential test re-takes). Be sure to always look up what kinds of total TOEFL scores your schools of choice require
and whether or not they also require minimum section scores. This information will provide you with a score goal and help you plan your TOEFL is scored? Check out our guide to learn exactly how the TOEFL is scored so you can maximize the
number of points you get. What score should you be aiming for on the TOEFL? Learn what a good TOEFL score is and how you can figure out what your goal score should be. Practice tests into one place so you have access to the
best study materials. Sometimes you need a break from traditional studying. But have you ever considered using games to learn English? Whether youre preparing for the TOEFL or simply want to improve your English abilities, there are many English-learning games out there that are high quality and effectivenot to mention fun!Read on to see our
picks for the best games for learning English for both groups and solo learners. But first, what makes an English-learning game good? What Qualities Does a Good English-Learning Game Have? things first, an English-learning game must be accurate to be effective. All grammar structures it uses should be grammatically correct, and all vocabulary words should be spelled and defined correctly. If there are any problems or inaccuracies in the game, its better to avoid it. Using a game with problems like these means youll end up learning
incorrect information! So always look for a game thats highly reviewed and hasimpeccable English. If you or someone you know is creating a native English speaker to look over any games or learning materials you make. Its
EffectiveGames need to be more than just accuratethey must also be effective at teaching you English. Quality gameswill help you remember meanings of difficult words and perfect your mastery of grammar patterns through a combination of featuressuch as word associations, images, and repetition. An ineffective English game, on the other hand,
wont help you recall what youve learned or testyour English skills enough. Its FunThe whole point of games is that theyre supposed to be fun! A good English game will not only teach you forget youre actually learning! Of course, what I think is fun
might not be the same as what you think is fun, so its important to always look for a game that aligns with your interests while also targeting the English you want to practice. Its Easy to PlayFinally, a good English game is one that has clear rules and is easy to learn how to play. You shouldnt need to spend a lot of time learning the rules of the game
ideally, youll be able to read a description or play through the game once or twice in order to understand what you must do to win. 4 English-Learning Games for Groups and ClassesIf youre taking an English together
HangmanHangman is a classic spelling game known throughout many English-speaking countries. This game is a one vs. group game in which one person faces off against a group of people. Materials: Blackboard, whiteboard, writes mystery word and writes mystery word and writes and writes many English-speaking countries. This game is a one vs. group of people. Materials: Blackboard, whiteboard, or piece of paper; chalk, marker, or penSummary: One person, whom well call thechooser, selects a mystery word and writes many the person faces off against a group of people. Materials: Blackboard, whiteboard, or piece of paper; chalk, marker, or penSummary: One person faces off against a group of people. Materials: Blackboard, whiteboard, or piece of paper; chalk, marker, or penSummary: One person faces off against a group of people. Materials: Blackboard, whiteboard, or piece of paper; chalk, marker, or penSummary: One person faces off against a group of people. Materials: Blackboard, or piece of paper; chalk, marker, or penSummary: One person faces of paper; chalk, marker, or penSummary: One penSummary
down a blank for each letter in it. People in the group then take turns guessing a letter. For each incorrect guess, the chooser draws part of a hangman. For each correct guess, the chooser fills in the missing letters wherever they appear in the word. Play ends when either the mystery word is guessed (in which case the group wins) or when the
hangman is complete (in which case the chooser wins). How Does Hangman Teach You English? Hangman is a great gamefor cementing spelling and vocabulary knowledge. You must be able to recognize how letters fit together to form English words so that you can guess the correct letters. Finally, you must know a
wide range of vocabulary in order to correctly guess the mystery word. How to Play Hangman1. One player selects mystery word (the other players will guess the word). For example, Helga picks the word rabbit. Rabbit has six letters in it, so she draws six blanks. She also draws a pole for the hangmanand a box for keeping track of any incorrect
letters guessed. Heres an example: 2. One by one, the other plays guess letter is in the mystery word, the chooser must write that letter is not in the word, the chooser writes it in the box and then draws one part of the hangman (most people start with the
head). Lets sayPhoebeguesses the letter H, Nadine guesses L, Harold guesses E, and Arnold guesses B. Helga writes the incorrect letters in the box and the correct letters in the word; she also draws three parts of the hangman: 3. Play continues until the mystery word isguessed OR the hangman is complete. If someone in the group guesses the
correct word, they win! If thegroup doesnt guess the word, however, the chooser (in the example above, Helga) wins. A complete hangman usually has a head, a body, two arms, two legs, and a face. Tips for Playing Hangman Guess common letters in words,
whichinclude allvowels (a, e, i, o, u) and the consonants r, s, and t. For a slightly easier game, use categories. For example, lets say before Helga chose the word rabbit, she told the group shed be choosing a word from the category Animals. This makes it easier to figure out which letters and words you should guess. For a more difficult hangman game
use phrases instead of single words. Be sure to clearly indicate where spaces between words are(I find its helpful to insert long vertical lines between words). If youre the chooser, write down the correct number of blanksand are spelling the word
right.Consider ahead of time what a complete hangman looks like. You might want to talk it over with your group to determine how much you can draw until ahangman is complete. Most people draw the following: Two ears Two hands Two
feetTwo eyebrowsHair Fruits BasketFruits BasketFruits Basket is a fun and interactive game similar to musical chairs. This game focuses on speaking and listening to English words and phrases. Its a group game, so there are no winners or losers!Materials: Chairs (one less than the total number of people playing), arranged in a circle and facing in; cards with
pictures or English words on them (optional)Summary: Everyone except one person sits down in a chair (the person standing in the middleof the chair circle is the stander). The stander then says an English phrase or vocabulary word. Anyone sitting who meets the requirement of the phrase or word must get up and sit down in a different chair. At this
time, the stander, too, tries to sit down in an empty chair. Whoever is left without a chair is the new stander and must now say a new phrase or word to make people stand up again. How Does Fruits Basket Teach You English? Fruits Basket can either focus on grammar or vocabulary. It teaches you not only to think quickly but also to communicate
with others through a combination of speaking and listening. As a result, you can hone your pronunciationto further increase your confidence in your speaking skills. This game is also easily adaptable, so if youve learned a certain grammar structure you want to practice more, you can tweak the game to work withthat particular pattern. How to Play
Fruits Basket1. Decide whether youll be practicing grammar or vocabulary. Once youve decided, follow the instructions below to prepare anything special ahead of time. Simply decide on the grammar patternyou want to practice. The easiest pattern to use is People who have/like/want ~. Anyone
who fits the sentence must then stand up and move. Youcan use any number of grammar patterns as long as you canapply them to the people in the group. For example, if youwant to practice the conditional if form, you could say, If you like cats, stand up! Then, anyone who likes cats must get up and move. For Vocabulary: Youll need to prepare ahead
of time if you planto practice specific words. Start by making cards containing certain vocabulary words (or pictures of words). Make at least two cards for each word. For example, if youre studying food, make at least two cards of them, two with oranges, etc. Next, attach these cardsto pieces of string to make them into necklaces people
can wear around their necks. Assign one card to each person playing. If the stander says the word youre wearing, you must move to a new seat.2. Get out several chairs so that all chairs are facing
inward. Ifyoure practicing vocabulary words, make sure everyone is wearing a card around his/her neck.3. Choose one person to be the stander changes often, so you wont be stuck in the role if youre chosen to be it first!4. The stander says a grammar structure or vocabulary word. Anyone
sitting who meets the requirement must stand up and move quickly to an open chair. For example, if youre practicing to an open chair. For example, if youre practicing to an open chair. For example, if youre practicing to an open chair. For example, if youre practicing to an open chair. For example, if youre practicing to an open chair. For example, if youre practicing to an open chair.
Apple! and anyone who is wearing an apple must find a new seat.5. The game ends whenever you want it to! There are no winners or losers. Continue playing until you want to stop. Tips for Playing Fruits BasketTo make the game more difficult, make it illegal to sit down in the chair nextto you. This prevents people who are sitting near each other
from switching chairs too fast. Say Fruits Basket to get everyone to move. If youre having trouble finding a seat or getting people to move, the phrase Fruits Basket forces everyone to stand up and choose a new chair. John Morgan/Flickr BattleshipThis popular, strategic board game uses the setting of war and can be tweaked to help English-language
learners practice grammar and communication. Battleship is a pair game, so only two people can play together. Materials: Battleship game sheet (see below for tips on how to make one); pen or pencilSummary: Players get into pairs and fill out their Battleship sheets by placing five ships on various parts of a grid. Once theyve hidden their ships,
 players take turns attacking each other by using their grids to guess where the other persons ships are. Whoever sinks (finds) all of his/her opponents ships firstwins. How Does Battleship Teach You English? This game is a great toolfor practicing grammar patterns while honing your reading, speaking, and listening skills. To sink your opponents ships
you must be able to read English and put together sentences. Tomake an attack, you need to pronounce English clearly. Finally, you mustunderstand what your opponent is saying in order to figure out what square in your grid he/she is trying to attack. How to Play Battleship worksheet with two grids on it. One grid will be for
hiding your ships, and the other will be for guessing whereyour opponents ships are. Heres an example of a worksheet made back when I taught English in Japan. On this sheet are parts of sentences listed horizontally and vertically. Each vertical sentence part of sentences listed horizontally and vertically.
them to be, though I suggest making them nobigger than 88 (what Ive done on my own worksheet). Choose an opponent and begin hiding your ships on your grid (horizontally or vertically but not diagonally!). Dont let your opponent see your grid. Heres
an example:3. Take turns guessing squares on your opponents grid. Youll use the second grid on your opponents grid with Xs and Os. If the
square youve chosen hits one of your opponents ships, your opponent must say, Miss! You can then mark an O on the grid to indicateyouve made a hit. If the square youve chosen doesnt hit a ship, your opponent must say, Miss! You can then mark an O on the grid to indicateyouve made a hit. If the square youve chosen doesnt hit a ship, your opponent must say, Miss! You can then mark an O on the grid to indicateyouve made a hit. If the square youve chosen doesnt hit a ship, your opponent must say, Miss! You can then mark an O on the grid to indicateyouve made a hit. If the square youve chosen doesnt hit a ship, your opponent must say, Miss! You can then mark an O on the grid to indicateyouve made a hit. If the square youve chosen doesnt hit a ship, your opponent must say, Miss! You can then mark an O on the grid to indicateyouve made a hit. If the square you opponent must say, Miss! You can then mark an O on the grid to indicateyou opponent must say, Miss! You can then mark an O on the grid to indicateyou opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say, Miss! You can then mark an O on the grid to indicate you opponent must say of the grid to indicate 
youve hit all parts of a ship, your opponent must say, Sink! Now you know youve sunk one of your opponent has attacked on your
when one player has sunk all of his/her opponents ships. Tips for Playing BattleshipSpread out your ships on your grid. This makes it less likely for your opponents to find all of your opponents ships and sinking it. Do
not overlap any ships. This is against the rules! When making a Battleship worksheet, you dont need to use five ships. Irecommend having atleast three ships, though my worksheet above uses four. 20 Questions A popular word game, 20 Questions Can be played anytime, anywhere! All you need to do is think of a word (like Hangman) and youre ready
to play. Youll need at least two players, though you can play with as many people as you want. Materials: None! Summary: The setup for this game is similar to Hangman. One person will be the chooser and think of a mystery word. This word could be a person, animal, thing, place, etc. Theothers in the group may then ask up to 20 yes-or-no questions
to figure out what the word is. If the group guesses correctly, they win! But if they use up their 20 questions and dont guess correctly, the chooser wins! How Does 20 Questions Teach You English? Questions and listening. You must be able
to clearly ask questions in English and keep track of whats been asked in order to successfully solve the mystery. How to Play 20 Questions 1. Decide who will be the chooser. This person will secretly come up with a word or phrase. You may use categories to narrow down what words you can choose (see tip #1 below). 2. Once the chooser has thought
of a word, people in the group can take turns asking questions. All questions must use a yes-or-no format; this means that the chooser may only answer with either yes or no. Those asking questions typically are the following grammar structures: Is it ~?Can it ~?Does it ~?3. Play ends when either the word has been guessed (in which case the group can take turns asking questions).
wins), or when 20 questions have been asked (in which case the chooser can pick. For example, if you were to play withthe categoryCharacters, the chooser must think of a well-known character from a book, TV show, movie,
play, etc. Start broad and then get specific. Most people who play this game start with basic questions about color, size, etc., before they ask more specific questions have been asked. This is especially useful in big groups of
people. 3 English-Learning Game Websitesfor Solo LearnersNow that weve gone over a few games you can play by yourself. Unfortunately, most solo games dont have speaking or listening components, so youll need to supplement these games with real-life English practice (ideally,
with native English speakers). That said, online English games can be excellent toolsfor quickly honing your skills and for warming up before study sessions. Here are our picks for the top websites offering online English games for solo learners. And the best part is, theyre all free! ESL Games World Grammar GamesThis popular website offers
numerous flash ESL games for both children and adults. However, its grammar section offers the best stockpile of games geared toward intermediate and adult English-language learners. You can study a range of grammar structures and prepositions
(e.g., in, of, to, on). Many of the games come in multiple versions to address a variety of grammar patterns. My favorite games are two-playeras well, which is a
nice touch if youve got a buddy you want to study with. There are a couple of drawbacks, though. For one, some of the games immediately end when you get just one question. Another problem is that some of the games say Continue when they should read
categoriesto study. For example, with vocabulary-focused games, you can choose to studyjobs, body parts, animals, etc. With grammar-based games, you can work well for adult learners, andI particularly enjoyed the grammar-centered ones. In Fast
Phrases you createsentences to match the images shown, while in Bubbles you connect words to form sentences. Hangman is anothersolid option if you want to improve your vocabulary and spelling. Some of the games even let you upload your own images and words to practice with. In short, youget to not only play games but also customize what you
learn in them! One big con, however, is that much of the vocabulary is fairly basic. In addition, some of the games are too similar to one another, giving the websites on this list, Free Rice is a great way to practice upper-level English vocabulary and grammarall
while making a positive impact on the world! There are two modes you can play for English vocabulary and English grammar. In vocabulary mode, you must choose one of two sentences, only one of which is grammatically correct. And the best part?
For every correct answer, Free Rice donates 10 grains of rice via the World Food Programme to help end world hunger. Another benefit of this website is thatyou can choose your level. There are five levels for English grammar and 60 for vocabulary mode, and there are many words even I, a native
English speaker, didnt know!) The only major con is that Free Riceisnt as flashy and interactive as the other resources on this list, so if youd prefer more visual stimulation and images, opt for a different resource. Conclusion: How English-Learning Games Can Help YouWhen studying English, its important to have a routine and access to high-quality.
materials. But sometimes studying can get boringwhich is why its perfectly OK (and even encouraged!) to use a few games will teach accurate English. Ultimately, though, you need to make sure that the games youre using are high quality. Good games will teach accurate English, be effective, entertain you, and be easy to play. Above, we gave you four English-
learning games for groups and three English websites for solo studying. As you usethese and other games for learning English can be helpful, you shouldnt rely on them to teach you English from scratch. Games are best used as supplementary resources to cement material youve already studied
using textbooks, flashcards, and other resources. With that said, go ahead and explore the games weve compiled for you as well as any other high-quality ones you find along the way. Most importantly, have fun learning English! Whats Next? Need more help learning English? Get some guidance on setting your English-language goals with our article on

vocabulary is also at the academic level. So, why does this matter? You probably already know that you should study academic vocabulary, but did you know that there is an actual Academic words used in scholarly journals and texts. You can
get yourself a copy of the Ultimate TOEFL Vocabulary List. Heres a quick example of one of the academic vocabulary words and all of its variations. Verb form(s) acquirer diexively Let me make something clear You do NOT have to know all the
forms of a single word. The point is that if you know the simple verb form, (i.e. acquire), then you can probably figure out the meaning of the other forms of the same word. Dont memorize every word in each word family, just focus on familiarizing yourself with the headword. In addition to learning academic vocabulary, its beneficial to learn the parts
of words, i.e., the prefixes, suffixes, and roots of words. Knowing that ex- means out of or not, or that pro- means before or forward will you give you the advantage of being able to dissect words in the TOEFL Reading section that you simply do not know. This
TOEFL Reading tip will not only help you with vocabulary questions but for any part of the text you do not fully comprehend. The problem is that there are literally thousands of word parts that can help you discern the meaning of a
word, even if you are unfamiliar with it. Below is a list of our 54 most common prefixes. You can find the rest in our Essential Word Parts List. main idea. You might remember that you read about the war in Syria, but you will not be able to recall the first line of the third paragraph in that article. Active reading will help you remember a lot more of what you read. While most exams in college test your memory, the TOEFL tests your comprehension. They dont want to see if you can remember
the material, but if you can understand it. So, your goal is to understand what you read.STEP 1 Before you start reading passage, just a paragraph within the Reading passage, just a paragraph within th
to read actively. Thats your goal when you read any TOEFL paragraph. I need to explain this to a 6-year-oldSo when you see a paragraph before you start to answer the question, imagine you are going to have to teach about this stuff to a bunch of children. Focus on understanding the main idea of the paragraph in a clear and simple way before you
start to answer the question. Let me show you a quick example from a paragraph from a reading text. The title sums this tip up fairly well, but it is a crucial aspect of studying that most students neglect. I have seen countless TOEFL practice, but
they never reflect n what they have learned. This is why all of our private TOEFL students are taught a specific four-step-system for studying the TOEFL, called The PARA Framework. Plana ActR ReflectA AdjustIn this system, taking a practice step is just one step in the four-step process (act). They must also spend a significant amount of time
planning, reflecting and adjusting. Its crucial for you to reflect on what you have done and adjust, its time to plan. Plan on taking the same test 1-2 weeks after the first time you did it. Anticipate that you remember most of the answers visually, not necessarily through
comprehension. However, your goal is not to comprehend more, but to remember what you have already learned and ensure you do not make the same mistake twice. Here is a link to our free PDF of 100 TOEFL Reading short questions. The average TOEFL Reading passage is 700 words, followed by 10 questions, but these short passages are
between 100-250 words and are followed by just one or two questions. Why? So you can focus on understanding what you read and mastering each question wrong but it will also allow you to narrow your focus on your reading strengths and weaknesses
Are you preparing for the TOEFL exam and looking to enhance your reading comprehension skills? Youve come to the right place. achieve your desired score. TOEFL Reading Comprehension Strategies Understanding the TOEFL Reading Section entails. This section assesses your ability to comprehen academic texts and answer questions about them. Youll encounter 3-4
passages, each followed by 10 questions, with a total time limit of 54-72 minutes, depending on the number of passages. Key Features of TOEFL Reading Passages. Key Features of ToeFlat Reading Passages
choice, insert text, and summary completionEffective Strategies to Improve Your TOEFL Reading Comprehension1. Expand Your Academic Vocabulary A robust vocabulary is essential for understanding complex academic texts. Heres how to build it:Read extensively from academic sources like textbooks, journals, and reputable online
publicationsCreate flashcards for new words, including definitions, synonyms, and example sentencesUse vocabulary apps like Quizlet or Anki for daily practiceFocus on words commonly used in academic contexts2. Practice Active Reading TechniquesActive reading involves engaging with the text more deeply. Try these methods: Skim the passage
quickly before reading in detail to get an overviewIdentify the main idea and supporting details in each paragraphTake brief notes or highlight key informationAsk yourself questions about the constraints. Heres how to enhance
it:Use a timer when practicing to increase your pace graduallyTry the pointer method use your finger or a pen to guide your eyes as you readPractice with timed reading exercises regularlyFocus on reading phrases rather than individual words4. Develop Your Inference SkillsMany TOEFL Reading questions require you to infer information not
explicitly stated. To improve this skill: Practice identifying the authors tone and purposeLook for context clues to understand unfamiliar words or conceptsDraw logical conclusions based on the information providedAnalyze relationships between ideas in the text5. Master Different Question TypesFamiliarize yourself with the various question formats
in the TOEFL Reading section: Factual Information questions: Practice locating specific details in the textInference questions: Work on drawing logical conclusions from the passage Vocabulary questions: Practice identifying main ideas and key supporting details6. Use
High-Quality TOEFL Preparation MaterialsInvest in reputable TOEFL study resources to ensure effective practice: Official TOEFL iBT Tests (Volumes 1 and 2) by ETSThe Official Guide to the TOEFL testBarrons TOEFL iBT Learn more about the best TOEFL preparation books and resources 7. Implement a
Structured Study PlanConsistency is key when improving your reading skills. Create a study schedule that includes: Daily vocabulary practice Timed reading exercises Regular mock tests to assess your progress Review sessions to analyze your mistakes and learn from themImportant Tips for TOEFL Reading Success Time management: Allocate your
time wisely during the test. Aim to spend about 20 minutes per passage and set of questions. Process of elimination: For multiple-choice questions, eliminate obviously incorrect answers to increase your chances of selecting the right one.
your memory or prior knowledge. Stay calm and focused: Practice mindfulness techniques to manage test anxiety and maintain concentration during long reading passages. resources to support your journey to success! If your dream is to attend college or graduate schoolin an English-speaking country, youll likely need to submit scores from either the TOEFL or IELTS. But how do TOEFL and IELTS scores compare with each other? AreTOEFL to IELTS scores conversions actually possible? And if so, what can these scores
conversions tell us about the TOEFL and IELTS? In this article, well discuss how the TOEFL and IELTS conversion tablescurrently available. Finally, well explain how you can use this information on IELTS vs TOEFL scores to help you decide which test you should take
IELTS vs TOEFL Scores: How Do They Differ? Generally speaking, the TOEFL iBT and IELTS Academicare fairly similar tests. Both exams measure your proficiency in English reading, writing, listening, and speaking. Additionally, both exams measure your proficiency in English reading, writing, listening, and speaking.
countries. Nevertheless, each test uses a distinct scoring scale. On the TOEFL, test takers each receive four scores (one each for Reading, Writing, Listening, and Speaking) on a scale of 0-30 in 1-point increments. These four scores combine for atotal TOEFL score out of 120 points. For example, if I were to score 29 on Reading, 25 on Writing, 24 on
Listening, and 25 on Speaking, my total TOEFL score would be29+25+24+25=103. On the IELTS, test takers eachreceive four separate band score is the average (as opposed to the sum) of these four scores, and so it uses the
samescale of 0-9. For example, if I were to score 8 on Reading, 7 on Writing, 5 on Listening, and 6 on Speaking, my total IELTS band score would be (8+7+5+6)/4=6.5. Note that total IELTS scores always round to the nearest half-point. TOEFL IELTS conversion Charts in this section, we give you five TOEFL to IELTS score conversion charts. One chart
is fortotal scores, and the other charts are for each section of the exam. But how accurate are these charts? Unfortunately, there is no official TOEFL iELTS conversion system. This is because different groups administer the TOEFL in the theorem is no official TOEFL in the creators of the TOEFL is not exam. But how accurate are these charts? Unfortunately, there is no official TOEFL in the creators of the TOEFL is not exam. But how accurate are these charts? Unfortunately, there is no official TOEFL is not exam.
website. These estimates were foundusing data from more than 1,000 test takers who took both the TOEFL and IELTS do not test identical content
In fact, there are many major differences between the two exams! For example, the TOEFL Reading section focuses on university-level texts, whereas the IELTS Reading section you must speak into a computer microphone, whereas
on the IELTS you must converse in English with a human evaluator. And now, without further delay, here are the TOEFL to IELTS: Total ScoresTOEFLIELTS 209115-1178.5110-1148102-1097.594-101779-936.560-78646-595.535-45532-344.50-310-4 TOEFL to IELTS: Reading TOEFLIELTS 209298.529827-287.524-101779-936.560-78646-595.535-45532-344.50-310-4 TOEFL to IELTS: Total ScoresTOEFLIELTS 209298.529827-287.524-101779-936.560-78646-595.535-45532-344.50-310-4 TOEFL to IELTS: Reading TOEFLIELTS 209298.529827-287.524-101779-936.560-78646-595.535-45532-344.50-310-4 TOEFLIELTS 209298.529827-287.524-101779-936.560-78646-595.535-45532-344.50-310-4 TOEFLIELTS 209298.529827-287.524-101779-936.560-78646-595.535-45532-344.50-310-4 TOEFLIELTS 209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298-209298

93 on the TOEFL: 60 isnt usually highenough for admissioninto U.S. universities, whereas 93 is a solid score. In fact, 93 is higher than the average required TOEFL score of 78.On the IELTS, however, 60 and 93 convert into 6 and 6.5, respectively. Thats only a half-point difference! So even if your English skills are actually somewhere between 6 and
6.5 (or, between 60 and 93 on the TOEFL, you can't see these minute differences in language comprehension on the IELTS does. On the IELTS does. On the IELTS does not round scores, whereas the IELTS does not round scores, whereas the IELTS does. On the IELTS does. On the IELTS does. On the IELTS does not round scores, whereas the IELTS does. On the IELTS does. On the IELTS does. On the IELTS does not round scores, whereas the IELTS does. On the IE
U.S. universities. However, with a score of 78 on the TOEFL which corresponds to6 on the IELTS youre guaranteed tomeet the minimum admission requirements for many U.S. universities. So if youre trying to get accepted into as many U.S. universities as possible, the TOEFL scoring system makes it slightly easier to getthe score you need for
admission. For instance, UCLAs graduate school requires either a minimum TOEFL score of 87 or a minimum IELTS which is a half-point lower than the required IELTS score for UCLA! Thus, it may be alittle easier to meet the English
requirements for UCLA if you opt for the TOEFL score requirements for each section (Reading, Writing, Listening, and Speaking), whichcan make itdifficult to get accepted into U.S. schools. Why? Becauseeven if you meet the total TOEFL score requirement, if one of your section
scores is too low, your application may be rejected! Meanwhile, with the IELTS, most U.S. schools onlyrequire a minimum total band score, not individual section scores just a total score. Ultimately, although TOEFL to IELTS score conversions can help you get a
feel for how TOEFL scores compare to IELTS scores, dont rely on these charts to tell you which test you should take. Do your research, figure out which schools youre interested in, and choose the test that give youyour best shot at getting accepted! Whats Next? Want to learn more about TOEFL scoring? sciences, and literature. Following each passage are multiple-choice questions that assess your ability to understand and analyze complex written material. Its not just about recalling information; the TOEFL Reading exam evaluates your capacity to identify key ideas, make inferences, and comprehend the nuances of vocabulary in context. Navigating
through this section successfully demonstrates your readiness to engage with academic content in English. So, buckle up, embrace the challenge, and lets explore how to conquer the TOEFL Reading exam together! TOEFL reading exam together!
understand and analyze written texts in English. Here are the top tips to excel in the TOEFL reading passages to enhance your comprehension skills and speed. Heres a free TOEFL reading practice exercise: TOEFL Reading Practice. Build Your
VocabularyStrengthen your vocabulary by reading a variety of English texts. This will help you understand the context and meaning of words used in TOEFL reading passages. Underline Key InformationWhile reading the passages, underline or take notes on key information, main ideas, and supporting details. This will aid in quickly locating relevant
information. Skim and Scan Efficiently Develop efficient skimming and scanning techniques to quickly identify the main idea, headings, and specific details. This skill is crucial for managing your time effectively. Pay Attention to Transition Words Transition words such as however, moreover, and nevertheless provide important clues about the
relationships between ideas in the passage. Recognizing these connections enhances your understanding. Practice managing your time effectively during practice sessions to ensure you can complete each passage and associated questions within the allocated time. Read Actively Engagement Each reading section has a time limit. Practice managing your time effectively during practice sessions to ensure you can complete each passage and associated questions within the allocated time. Read Actively Engagement Each reading section has a time limit.
actively with the passage. Think critically about the authors purpose, tone, and argument. This approach will prepare you for questions that assess your understanding of the authors viewpoint. Predict Answers Before Reviewing Choices Formulate your answer before looking at the choices provided. It will help you avoid the tempting but incorrect
options and allow you to focus on the most accurate choice. Be Mindful of SynonymsTOEFL questions often use synonyms for words in the passage. Be attentive to these variations, and dont get thrown off by slight changes in wording. Review and Learn from Mistakes After completing practice exams or exercises, thoroughly review your mistakes.
Understand why you selected incorrect answers and learn from them to avoid similar errors in the actual exam. Identify Question Types Familiarize yourself with various questions. Knowing the distinctive features of each question type will help you
approach them strategically. Improve Reading SpeedPractice reading passages at a pace that allows you to grasp the main ideas and key details efficiently. Avoid reading for speed. Use Process of EliminationWhen faced with multiple-choice questions, and be mindful not to sacrifice understanding for speed.
eliminate obviously incorrect answer choices to increase your chances of selecting the correct one. This systematic approach improves your odds, especially when you are uncertain about a particular answer. Consider Context in Vocabulary QuestionsIn vocabulary questions, pay attention to the context. Analyze the surrounding sentences to infer the
meaning of the word based on the overall passage context. Practice with Authentic TOEFL content will familiarize you with the format and types of questions youll encounter on test day. TOEFL Reading
GradingThe TOEFL Reading exam is graded on a scale of 0 to 30 points, with each correct answer contributing to your overall score. There are three to four reading passages in the exam, and for each passages determines your raw score. This
raw score is then converted into a scaled score within the 0 to 30 range. The conversion process is designed to ensure fairness and consistency across different test administrations, accounting for variations in difficulty levels among different test versions. If you want to easily check out your TOEFL score, search TOEFL score calculator on Google
Youll find multiple online score converters that will save you time from going over the scale and comparing it to your reading the TOEFL Reading TipsHere are some of the most frequently asked questions about the best tips for taking the TOEFL reading in TOEFL reading in TOEFL.
practice regularly by reading academic articles, newspapers, and diverse texts in English. Focus on understanding main ideas, key details, and vocabulary Underline Key InformationSkim and Scan EfficientlyPay Attention to
Transition WordsPractice Time ManagementRead ActivelyPredict Answers Before Reviewing ChoicesBe Mindful of SynonymsReview and Learn from MistakesIdentify QuestionsPractice with Authentic MaterialHow do you score full in TOEFL reading?
Scoring full in TOEFL reading requires careful time management, effective skimming and scanning techniques, and a strong grasp of English vocabulary. Practice with official TOEFL reading varies for individuals, but many find it challenging due
to complex vocabulary, academic content, and time constraints. Regular practice and exposure to diverse English texts can help build the necessary skills. What is the average reading score in TOEFL? The average reading score in TOEFL is around 20-21 out of 30. However, score ranges can vary, and its essential to check the requirements of the
institutions you are applying to for specific score expectations. What are the most common reading topics for TOEFL include science, history, social sciences, and literature. Familiarizing yourself with these topics and practising with a variety of texts can enhance your readiness for the exam. Is TOEFL reading
harder than IELTS? The level of difficulty in TOEFL Reading compared to IELTS Reading is subjective and varies from person. TOEFL Reading usually includes more academic content and may require a higher level of vocabulary comprehension. On the other hand, IELTS Reading contains a mixture of general and academic texts. Both
exams evaluate similar skills such as reading comprehension, and understanding implicit and explicit information. Ultimately, the perceived difficulty depends on your familiarity with academic English and personal preferences in test formats. TOEFL Reading Tips: Join the ConversationPreparing for the TOEFL reading exam? Let us know which tip
helped you the most. Always remember, practice makes perfect!To succeed in the TOEFL reading section, it's essential to develop strong reading comprehension, vocabulary, and time management skills. Knowing how to improve your TOEFL reading abilities with daily practice can significantly boost your performance. By engaging in active reading,
expanding your vocabulary, and practicing under timed conditions, you can sharpen your skills and build confidence. Understanding the TOEFL reading section's structure and utilizing helpful resources will set you on the right path. Lets explore effective techniques to improve your TOEFL reading skills through consistent practice. Understanding the
TOEFL iBT Reading Section is the most important step for effective daily practice of TOEFL reading skills because it lays the foundation for: Effective Preparation: Knowing the structure and question types helps in targeting specific skills needed for the exam. Focused Practice: It allows you to craft your daily practice sessions to address identified
weaknesses and reinforce strengths. Confidence Building: Understanding what is expected in the TOEFL reading section boosts confidence during practice and on test day. Regular reading not only reinforces essential skills like comprehension and vocabulary but also builds stamina needed for the exam's duration. Lets see how you can do this. Set
Daily Goals: Establish achievable goals to build stamina and consistency in your reading practice. For example, you might aim to read one academic article or two news editorials each day. Tracking your progress in a journal or using an app can help you stay motivated and accountable. Active Reading Techniques: Active reading involves summarizing
paragraphs, identifying main ideas, and highlighting key details to deeply engage with the text. Active Reading Techniques Description Summarizing Paragraphs Condense the main points of each paragraph into concise summarize to grasp the overall structure and key ideas. Identifying Main Ideas Actively seek out central concepts or arguments
presented in the passage to understand key themes. Highlighting Key Details Mark or highlight important information that supports main ideas or provides context for better retention. Check out - Top 5 Tips to Master English Vocabulary for TOEFL iBT Building a strong vocabulary is key to mastering daily TOEFL reading practice. It enhances your
ability to understand and engage with complex passages, improving overall comprehension and test performance. Let's explore effective strategies for expanding your vocabulary: Contextual Learning: Learn new words in context while reading. Pay attention to how words are used in sentences and paragraphs to grasp their meanings and nuances.
This method helps you remember words better and understand their appropriate usage. Flashcards and Apps: Use TOEFL vocabulary flashcards and apps to reinforce word retention. Regularly review and quiz yourself to strengthen your vocabulary flashcards and apps to reinforce word retention.
management is also crucial for maximising your daily TOEFL reading practice. It ensures you can complete passages within the allotted time, improving speed and accuracy. Let's discuss some practice tests to simulate real exam
conditions. Practicing under timed conditions helps you improve your reading speed and accuracy while managing the pressure of the actual test. Review and Analyse: Following each practice test, it's essential to go over your answers and examine any errors made. Identify patterns of errors and areas needing improvement, such as comprehension of
specific question types or vocabulary gaps. Take advantage of official TOEFL practice tests and sample questions to make yourself familiar with the test format and question types. These materials are designed to closely mimic the actual
exam, providing valuable practice. Online Platforms: Explore reputable online platforms offering TOEFL reading practice exercises and tips, Many websites and apps provide additional practice exercises and tips. Many websites and apps provide additional practice exercises and tips. Want to score high on the TOEFL? Practice exercises and tips.
insights, and learn from others experiences. Teacher or Tutor Support: Seek guidance from TOEFL teachers or tutors for personalized feedback on your reading skills. This plan incorporates various activities aimed at enhancing your reading skills, vocabulary, and overall TOEFL preparation. Day Activity Description Time Allocation 1 Read an academic article from a reputable journal or academic source. Direct your
attention towards comprehending the main concepts and specific details. 30 minutes 2 Practice vocabulary with flashcards or apps to review and learn new vocabulary words. Practice in context to retain meanings better. 20 minutes 3 Take a timed practice passage Complete a TOEFL reading passage under timed
conditions. This helps improve your reading speed and accuracy. 40 minutes 4 Review and learn from any errors. 30 minutes 5 Read a news editorial Select an editorial from a major news outlet. Focus on the author's
arguments, evidence, and writing style. 30 minutes 6 Join a study group discussion Participate in a study group or forum. Discuss reading strategies, share insights, and learn from others' experiences. 1 hour 7 Take a full-length practice test. This simulates the actual exam conditions and helps you build
stamina. 2 hours I hope this blog on How to Improve TOEFL Reading Skills was helpful in providing clear strategies and daily practice tips. By consistently applying these techniques, you can enhance your reading comprehension, vocabulary, and test performance. Stay focused, practice regularly, and success will follow. Also Read: Strong reading
skills are essential for performing well in the TOEFL exam. The reading section tests your ability to process information quickly and accurately, making it crucial to develop strategies that enhance both speed and Comprehension to help you read efficiently, grasp key details
and confidently tackle the exam. Struggling with reading Comprehension? Check out our TOEFL Reading Practice Tests to boost your skills and ace the exam! Here are the 10 Tips to Improve TOEFL Reading Skimming is
a technique where you quickly run your eyes over the text to get the gist of the content. Practice skimming by reading the first and last sentences of paragraphs and paying attention to keywords and phrases. This method helps you grasp the main ideas without getting bogged down by every detail. 2. Practice Reading Aloud Reading aloud can
improve your comprehension and retention of information. This practice forces you to slow down and process each word and sentence more carefully. It also helps improve your pronunciation and fluency, which can be beneficial for other sections of the TOEFL exam as well. 3. Annotate as You Read Mark up your reading passages with notes,
underlines, and highlights. Annotating helps you engage with the text and identify key points, themes, and unfamiliar vocabulary. This active reading strategy makes it easier to refer back to important information when answering questions. 4. Build Background Knowledge on a variety of topics can make reading
comprehension easier. Read extensively on subjects like science, history, and current events to build a reservoir of knowledge. This familiarity can help you understand and interpret passages more quickly and accurately. 5. Utilize Graphic Organizers, such as mind maps, Venn diagrams, and flowcharts, can help you visually
organize information from a reading passage. These tools assist in breaking down complex texts into manageable parts and understanding relationships between different pieces of information. You might find this helpful: TOEFL iBT Reading Score Calculation: Marking Scheme, Score Interpretation 6. Set Reading Goals Set specific, measurable
reading goals for each study session. For example, aim to read a certain number of pages or complete a set number of practice questions. Setting goals keeps you focused and motivated, ensuring that each study session is productive. 7. Engage in Timed Reading Drills Timed reading drills help you improve your reading speed and test-taking stamina
Use a timer to challenge yourself to read passages within a set timeframe. Gradually decrease the time as you become more proficient, aiming to read faster while maintaining comprehension. 8. Leverage Technology Use technology to aid your reading practice. Tools like audiobooks, text-to-speech software, and e-readers with built-in dictionaries can
enhance your learning experience. These technologies allow you to listen to and read texts simultaneously, improving both your listening and reading skills. 9. Reflect on What You Read After finishing a passage, take a few moments to reflect on what you have read. Summarize the main points, analyze the author's arguments, and consider any
questions or thoughts that arise. Reflecting on the text reinforces comprehension and helps you retain the information. 10. Stay Consistent and Persistence are key to improving reading practice and stick to it. Over time, you will notice improvement
in your ability to read quickly and understand complex texts. I hope this blog on 10 Tips to Improve TOEFL Reading Speed and Comprehension has provided useful strategies to enhance your reading efficiency. By practicing consistently and applying these techniques, you can improve both speed and understanding for a better TOEFL score. Keep
refining your skills, and youll be well-prepared for success! Additional Resources: The TOEFL Speaking for an exam? What kinds of TOEFL Speaking questions will you need to speak? In this about? guide, we answer all those questions and more so youll know exactly what to expect from this challenging section and how you should answer it, plus offer12 TOEFL Speaking topics for you to practice with as you study for the exam. An Introduction to TOEFL
Speaking TopicsThe TOEFL Speaking section lasts 20 minutes and includes six tasks. Youll be able to take notes during this entire section. In TOEFL Speaking, there are two independent speaking tasks and four integrated tasks, test-takers will need to use more than one skill when responding. The individual tasks will be
described in more detail in the next sections. Also, its important to know that you wont be speaking to a real person during this section. Instead, youll hear recorded conversations and responde by speaking into a microphone. After your exam, TOEFL graders will then listen to your responses. This section tests your ability to speak effectively in
academic settings. Youll be graded on how completely you answer each question, your ability to speak clearly and coherently, and your vocabulary and grammar. The following three sections explain the three format type, and for each format type an official sample
question, explain the format of the tasks, and end with tips on how to approach the tasks. TOEFL Independent Speaking TasksThe first two TOEFL iBT Speaking topics are independent speaking Time: 45 seconds Official
Sample Question TheTasksThere are two main types of independent speaking tasks youll see on the TOEFL. Task 1: Choose From One OptionFor the first task, youll be given a situation where there are many possible answers, and youll need to choose one option. The above question is an example of this type of task. After making your decision (which
youll need to do quickly since you only have 15 seconds to prepare!), youll then need to support that choice. Task 2: Choose From Two OptionsFor the second task, youll be presented with two options and need to make a choice between the two of them. You may be choosing which one you prefer, which you think is a better idea, or something
similar.Like the first task, after making your choice youll need to support that decision with specific examples. How to Approachthe a question on a familiar topic you can speak about without the help of outside materials. Youll be giving your opinion or describing information you know. Manyset to support that decision with specific examples. How to Approachthe Tasks a question on a familiar topic you can speak about without the help of outside materials. Youll be giving your opinion or describing information you know. Manyset topic you can speak about without the help of outside materials. Youll be giving your opinion or describing information you know. Manyset topic you can speak about without the help of outside materials.
students find these two to be the least challenging of the Speaking tasks, but that doesnt mean theyre guaranteed to be easy or that you can just talk about whatever you want. The most important part of these questions is the why. Youll always be asked to support your answer, whether by explaining why you feel a certain way or by giving examples
that justify your answer. The key to answering these questions well is to give specific examples and details to support your main idea. Don't be vague or wishy-washy with your answers; make a strong argument for your opinion and let the grader know exactly why you feel the way you do. TOEFL Integrated Speaking Tasks With Reading and
ListeningTasks 3 and 4, the first two integrated TOEFL iBT Speaking topics, require students to read a short passage and the audio recording. Reading Time: 45 secondsListening Time: Varies, but about 60 secondsPreparation Time: 30
seconds Speaking Time: 60 seconds Official Sample Question ThetasksTask 3: Explain an Opinion on a Campus IssueThe third Speaking task will be based on a topic similar to one youd likely encounter in class or on campus. It could be related to campus dining, transportation, extracurriculars, sports, or course requirements, among other topics. First
youll have a short passage to read, which will likely be an announcement or clip from a newspaper. Youll then hear an audio clip of two people discussing the written passage. They will usually disagree with each other. In general, the question will ask you to summarize and explain the opinion of one of the speakers. For this task, youll be explaining
someone elses opinion, not giving your own opinion on the issue. Task 4: Explain a Lecture TopicTask 4 follows the same format as Task 3, but it focuses on a lecture rather than a campus issue. The written passage typically comes from a textbook and explains a term or concept. The audio recording is usually of a professor giving a lecture on that
topic, along with students in the class asking and/or answering questions. The question will then ask you to explain a concept discussed in the lecture. HOW TO APPROACHTHEtasks and be challenging because theres a lot going onlistening, reading, and speakingin a short amount of time. For both tasks, the spoken conversation is more
important than the written passage. The passage is generally only used to give background information while the spoken conversation contains information while the audio recording. Also, in your response, you should back up any statements you make with
evidence from the audio clip or written passage in order to show you were able to understand the information they included and can create a strong argument. TOEFL Integrated Speaking Toesks WithListening OnlyTasks 5 and 6 are the final two integrated tasks. For these TOEFL integrated tasks. For these TOEFL integrated Speaking Toesks WithListening OnlyTasks 5 and 6 are the final two integrated tasks.
answer a question on it.Listening Time: Varies, but about 60-120 secondsPreparation Time: 20 secondsPreparation Time: 60 seconds Official Sample Question ThetasksTask 5: Explain a Campus Life ProblemFor this task, youll hear a conversation between two people about a problem relating to campus life, similar to the topics discussed in Task 3. The
two speakers, who are usually students, will discuss possible ways to solving the problem. The question will ask you to summarize what the problem is and the solutions each of the speakers recommended. Youll then need to state which solution you think is best and explain why. Task 6: Explain a LectureFor the final Speaking task, you will hear a
short portion of an academic lecture. This is similar to the audio clip you hear in Task 4, except for this task only the professor will be talking, no students. The lecture will be at about the difficulty level of afirst-year university class. The question will ask you to summarize a particular part of the lecture, and youll often need to include specific examples
the speaker mentioned. HOW TO APPROACHTHEtasksThe final two tasks are often seen as easier than Tasks 3 and 4 since there are only audio recordings for Tasks 5 and 6 are often the longest youll hear in the Speaking section and will contain numerous details. To answer the questions well, youll
usually need to refer to specific points mentioned in the recording, so listening well and taking good notes is very important. Task 5 is also the only integrated speaking topics is an important part of preparing for
the exam. There are some official practice questions (10 independent and 2 integrated) to help with your studying. Remember that on the real exam, the conversations for the Task 3 and Task 6 sample questions would be audio
recording clips; you wont be reading them. Task 1Who is the best teacher youve had? What qualities make him/her such a good teacher? What is your favorite holiday? Describe what to visit is your favorite holiday? Describe what to visit is your favorite holiday? Describe what the place is like and why you want to visit is your favorite.
it. What is your ideal career? Describe what it would be like and why it appeals to you. What is an activity you like to do with your friends? Describe it and explain why you find it enjoyable. Task 2Some people believe students should attend gym classes in school to improve their health and fitness, while others believe school should only focus on
academic subjects. Do you think students should have gym classes in school? Why or why not? Some people prefer to travel on their own. Which method of traveling do you prefer and why? Do you prefer and why?
better to save the money you earn for future expenses or spend it now on things you enjoy? Give reasons to support your choice. Task 3Read the
following text and the conversation that follows it. Then answer the question. The following text is an excerpt from the Great Plains University student newspaper. The student dean announced yesterday afternoon that, due to professor preferences and changing academic schedules, starting next semester, more classes will now be held on Fridays
Classes that were previously held for 90 minutes on Mondays, Wednesdays will now be held Mondays, Wednesdays will now be held Mondays, Wednesdays will keep their original schedule. (Female student): Did you see the announcement in the student newspaper that were going to have more Friday classes?(Male
student): I did, and I think its great news. (Female student): I think it will be helpful to see your professor more often during the week. For some of my classes, if I have a question on a Thursday, I need to wait all the way until Monday to see the professor again. (Female student): I think it will be helpful to see your professor more often during the week. For some of my classes, if I have a question on a Thursday, I need to wait all the way until Monday to see the professor again.
student): Dont your professors have office hours when you can stop by and ask them a question? (Male student): Some of them do, but theyre not always at a good time for me. With Friday classes, Im guaranteed to see them. Also, I think shorter classes will make it easier to learn new information without feeling overwhelmed like I sometimes did with
longer classes. (Female student): I suppose thats true. Im still disappointed about it though because I usually spend my Fridays at my job. (Male student): No, even one class in the afternoon would mean I couldn't work a full shift, so it really messes up my work schedule, and Im using that money to
help pay for tuition. (Male student): Yeah, Friday classes may make it harder for me to go home on the weekends since I cant leave on Thursday, but I still think its a good decision overall. Question: The man expresses his opinion on the announcement in the student newspaper. State his opinion and explain the reasons he gives for holding that opinion
Task 6Read part of a lecture in an art history course and then answer the question. (Male Professor): Beginning in the 1400s, Western Europe began to undergo numerous changes. People were coming out of a time filled with disease, warfare, and turmoil in the Catholic church. As their fortunes began to improve, people began to focus more on
cultural movements, eventually leading to a cultural rebirth known as the Renaissance lasted approximately two hundred years and resulted in many changes. Today were going to be focusing on artwork created during the Renaissance period. Renaissance art began in Italy, and, even though it eventually spread to other areas, Italy
remained the epicenter of this art style. One of the biggest innovations of Renaissance art was that human emotions were depicted much more in art. Most of the art produced in the Middle Ages, the time period before the Renaissance, was commissioned by the Catholic church and was used mainly for religious purposes. The point of the art was to
further religious devotion, not to contemplate emotions of human still on Earth. That changed drastically with Renaissance art. During this time, there was a much larger emphasis on how humans lived life on Earth and how they felt. While most figures were
often very clear in Renaissance art. If someone in a painting was sad, there might be tears falling from their eyes. If they were happy, their face might be contorted in a grimace, if they were happy, their face might be tears falling from their eyes. If they were happy, their face might be tears falling from their eyes. If they were happy, their face might be contorted in a grimace, if they were happy, their face might be tears falling from their eyes. If they were happy, their face might be tears falling from their eyes. If they were happy, their face might be tears falling from their eyes. If they were happy, their face might be contorted in a grimace, if they were happy, their face might be tears falling from their eyes. If they were happy, their face might be tears falling from their eyes.
Mary. In the sculpture, Mary is looking downcast while Jesus outstretched body suggests pain and suffering. Another defining feature of Renaissance art was how realistic the art appeared.
Previous works of art often appeared flat and stylized and didnt depict people or the world very realistically. During the Renaissance, there were many new patrons willing to pay for art, and since they had different tastes, artists had more flexibility to study new techniques and create more realistic art. Perspective, vanishing points, shadows, and
light began to be used frequently to create more lifelike figures and landscapes. A famous painting that shows the rules of perspective is Leonardo da Vincis The Last Supper, painted in 1498. Even though it was painted on a flat surface, you get the sense that Jesus and the twelve apostles are actually in a three-dimensional room. Question: Using
points and examples from the lecture, describe two ways Renaissance art differs from art in the Middle Ages. Video: Full-Length TOEFL Speaking Practice Test on our TOEFL Speaking practice? information. For tasks 5 and 6 youll hear an audio recording then answer a question. For some question, youll be asked to give your opinion, while for others youll instead be summarizing what you heard and read. Pay careful attention to what the question asks for and complete practice TOEFL Speaking topics in order to be well prepared for this
section. Whats Next?Looking for more information on the TOEFL Speaking section? Learn what a good TOEFL score is based on the schools youre interested in attending. Want more resources to help you prepare for TOEFL
Speaking? Weve compiled the best TOEFL Speaking practice materials for you to use during your studying. This post is part of our TOEFL Reading section is in many ways the simplest section on the exam. The Listening, Speaking, and Writing sections have distinctly different kinds
of tasks for the same skill. In contrast, TOEFL Reading tasks are all pretty much the same. In each task, youll be asked to read a passage that covers a typical first-year university academic subject. Then, youll answer a series of multiple choice questions where you must choose one correct choice. Finally, youll do a sentence insertion exercise and a
task that involves organizing or charting the ideas youve read. Because reading exercises in the TOEFL are all so similar, there are a number of things you can do to improve your TOEFL Reading in all subsections of the Reading Section. General SkillsBuild vocabulary. Written English uses a wider range of words than spoken English. Seek out and
learn new words as much as you can. Know synonyms and understand their role in paraphrase ideas from the text, shortening and re-wording them. Changes in wording can sometimes also change meaning. Be able to
recognize accurate paraphrases and synonyms, as well as false paraphrases that change the original meaning of what youve read. Read attentively. This may sound silly. How can you read something if youre not paying attention to it? Well, it is possible, especially if you find yourself reading and studying a lot. I remember many times in my own
university years when I spent an hour or so reading a text, only to realize I didnt remember or understand what Id read. As you read, actively note of the main ideas. Identify any parts of the reading you dont fully understand and look for clarification. If you are having trouble focusing on what you read, refocus or take a break if need be.Read
critically. TOEFL Reading asks you to go beyond simply understanding what you read. As you read, be able to make inferences, understand how ideas connect, and recognize the authors intent and purpose. Test-specific skillsKnow your TOEFL Reading question types, and how to answer them. As Kate explains, there are three broad categories of
to infer unstated information in the reading and also understand the authors purpose. Reading-to-learn questions require the most active involvement from the reading and also understand the authors purpose. Reading will be
on the test. TOEFL Reading passages cover many types (but not all types) of readings common in first-year university classrooms. You are unlikely to find highly mathematical topics. And all topics are introductory readings, designed to newly introduce someone to an academic subject. Practice activities: More from Magoosh If you need to take an
questions! To answer the IELTS vs. TOEFL question, we first have to discuss each of the tests. Introduction to the TOEFLThe TOEFL (Test of English as a Foreign Language) is an English language proficiency exam produced by the ETS, the same organization that develops the GRE (an exam for grad school admissions) and several other tests. There
are several versions of the TOEFL, either paper-based or computer over the internet. The TOEFL iBT which is administered over the internet. The TOEFL iBT which is administered over the internet. The TOEFL iBT which is administered over the internet.
between the Listening and Speaking sections. For each section, youll receive a score of 0-30. These scores are then added together, meaning your total TOEFL score will be from 0-120. Below is the format of the exam. SectionNumber of QuestionsTime GivenReading36-5660-80 minutesUriting2
tasks 50 minutes TOEFL ContentAs stated above, the TOEFL contains four sections which each test a different area of your English skills. Below is a brief overview of what to expect on each section. TOEFL ReadingFor Readi

has four to six recordings, each followed by a set of questions. The recordings are similar to conversations students or a student and teacher. Questions will be multiple choice, require you to order steps in an event or process, or require you to match
objects or text to categories in a chart. TOEFL SpeakingThe first two tasks are independent speaking tasks that draw on the students own ideas, opinions, and experiences when responding to these types of questions. Two integrated tasks require
students to read, listen, then speak. The other two tasks require students to listen then speak. TOEFL Writing and Independent Writing, students hear a short recording and read a short passage. Theyll then have 20 minutes to summarize and compare the information they
got from these two sources. The suggested response length is 150-225 words. For Independent Writing, students are given a topic and must give their opinion on that topic. The writing must be clear and supported by examples. Students are given a topic and must give their opinion on that topic. The writing must be clear and supported by examples.
institutions around the world accept TOEFL scores. For schools in the United States, the majority of schools surveyed stated they preferred TOEFL scores. Next in our TOEFL vs IELTS discussion, well discuss what the IELTS test is
like. Introduction to the IELTSThe IELTS (International English Language Testing System) is another English language proficiency exam jointly owned by the British Council and IDP: IELTS Academic and the IELTS General Training. IELTS
Academic is for people applying for higher education or a profession. IELTS General Training is for people traveling to English-speaking countries for secondary education, work experience, or work experience, or work experience and postgraduate institutions
(although the two versions both have the same scoring system and similar formats). IELTS for each section youll receive a score from 0-9. Your overall score is an
average of those four scores and will also be from 0-9. Unlike the TOEFL, which you must take all at once, for the IELTS, you are able to take the Speaking section up to a week before or after the other sections if you prefer (you schedule your Speaking time when you register for the exam). Section Number of Questions Time Given Listening 4030
minutesReading4060 minutesWriting2 tasks60 minutesSpeaking3 tasks11-14 minutes IELTS ContentBelow, the four recordings (two set in an everyday social context, one set in an educational context, and one that is a university lecture). After each recording there are
10 questions for you to answer. There are several types of questions including multiple choice, matching, diagram labeling, sentence completion, and short answer. IELTS ReadingFor Reading
variety of styles, such as narrative, descriptive, and/or argumentative. At least one will have a detailed logical argumentative, descriptive, and/or argumentative, descriptive, and/or argumentative. At least one will have a detailed logical argumentative, descriptive, and/or argumentative, descriptive, and/or argumentative. At least one will have a detailed logical argumentative.
students must describe a piece of visual information (such as a graph, table, chart, or diagram) in their own words. Its recommended that students are presented with a topic, often a point of view in an argument or discussion. They must write at least 250
words on this topic, in an academic-writing style. Its recommended they spend 40 minutes on this question. For both tasks, students are tested on how well they respond to the question, the clarity of their writing, range of vocabulary, spelling, and grammar. IELTS SpeakingFor IELTS Speaking, youll have an oral interview with an examiner. Your
responses will be recorded. This section consists of three parts. Part 1: The interviewer will ask the student questions about their work, family, studies, and interests. Part 2: The interviewer will give the student acard with a topic the student must discuss. The student is given one minute to prepare, must then speak for two minutes
then must answer one or two follow-up questions from the interviewer. Part 3: The student and interviewer will continue to discuss the topic presented in part 2 in more depth for four to five minutes. Who Accepts IELTS scores are accepted by over 9.000 institutions worldwide. The IELTS is not taken as often as the
TOEFL for students looking to attend grad school in the United States and is more popular overseas, such as in the United Kingdom and Australia, but many American schools still accept TOEFL scores. You can check their website to see who accepts the IELTS. Below is an overall comparison chart showing some of the key differences between the two
exams.TOEFLIELTSTotal Test Time3 hours and 30 minutes2 hours and 45 minutesScore Range0-1200-9Sections (in order)Numbers of Institutions That Accept These ScoresOver 9,000Over 9
what to expect from both IELTS. So which test should you take? Below are four questions your enterested in Accept? This is the most important consideration because if the schools youre interested in dont accept the
scores of the test you take, no other factors matter. Both the TOEFL and IELTS are widely accepted by American institutions, while the IELTS is more commonly accepted overseas, but many schools accept scores from either exam. However, a school
may have a preference to which test you take, so that is also worth checking out. Generally speaking, the majority of United States schools surveyed stated they preferred TOEFL scores of other English-language tests. Overall, the schools your elooking at will likely accept scores from either exam, but its important to verify this before you
choose a test in order to avoid any unpleasant surprises in the future. Both the TOEFL and IELTS make it easy to see which institutions accept their scores. Which Exam Plays More to Your Strengths? Both the IELTS and TOEFL test the same major areas, however; the way in which they test you is not exactly the same. Below are five of the most
important differences between the TOEFL vs. IELTS. While reading through them, think about if one exam seems better suited to your strengths than the other. If youre not sure, you can also take a practice test for each exam and see which one you feel more comfortable with. Difference 1: Multiple-Choice vs. Short AnswerA key difference between
the exams is that, for the Reading and Listening sections, youll have to write your own answers for many of the questions on the IELTS, while all the answer choices will be given to you on the TOEFL questions on the routing sections on the IELTS, while all the answer choices will be given to you on the TOEFL questions on the IELTS, while all the answer choices will be given to you on the TOEFL questions on the IELTS, while all the answer choices will be given to you on the TOEFL questions on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, while all the answer choices will be given to you on the IELTS, wh
own answers. On the IELTS, youll have to come up with your own answers for many questions. As an example, both exams have questions where youll have to create a properly ordered list of events or steps. On the TOEFL, the steps are already given to you, and you just have to come up with your own answers for many questions. As an example, both exams have questions where youll have to create a properly ordered list of events or steps.
on your own and properly order them. If you prefer having more multiple-choice questions or questions or questions or question of TOEFL vs. IELTS is also a question of computer vs. paper testing. Almost
everyone who takes the TOEFL will do so on the computer. You are allowed to take notes on scratch paper, but all your official answers will be submitted on the computer at many test locations. If youre faster at typing than writing, have messy handwriting and/or
prefer computers over paper tests, you may prefer the TOEFL. If you prefer writing out your answers, feel more uncomfortable with computer-based tests, and/or arent as familiar with English language keyboards, you may find the IELTS easier. Difference 3: Texts Used for the Reading SectionThe Reading Section The Reading Secti
several passages, each followed by series of questions. However, the two exams use different types of texts. The IELTS uses academic texts, which means its reading passages are often denser with more challenging vocabulary and concepts to understand. If
youre not confident with your English reading skills, you may find the IELTS Reading section, like all other sections of the test, is done over the computer. Youll hear recorded questions and speak into a microphone to give your answer. With the
IELTS, youll actually be having a conversation with a real human. This is one of the biggest differences in the IELTS vs. TOEFL discussion, and its an important one to consider. Some people find speaking to a real person more nerve-wracking and would prefer the TOEFL, while others find it easier and more natural to have an actual conversation with
a person, rather than speaking into a void for several minutes. Also, the Speaking section on the TOEFL is always the third part of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam, while, with the IELTS, you can take this section up to a week before or after the rest of the exam take this section up to a week before or after the rest of the exam take the rest of the rest of the exam take the rest of the rest of the exam take the re
manageable pieces. Difference 5: Recommended Essay LengthsBoth exams require you to write two essays for the Writing section. However, IELTS gives you 60 minutes but recommended 400 words, while TOEFL only gives you 50 minutes but recommended 400 words, while TOEFL only gives you 50 minutes but recommended 400 words, while TOEFL only gives you 50 minutes but recommended 400 words, while TOEFL only gives you 50 minutes but recommended 400 words, while TOEFL only gives you 50 minutes but recommended 400 words. For both exams, youll still be able to submit your essays even if they
dont meet those word counts, but youll likely lose points for not having a comprehensive response. If writing in English is a struggle and it takes you a long time, you may find the writing section of IELTS easier since fewer words are expected. Is One Easier to Get To?Logistics are also a factor to think aboutwhen deciding to take the TOEFL or
IELTS.If the testing center for one of the exams is much closer to you and/or one of the exams has a better option of available test dates, that can help you make your decision. Check out the test dates and test locations for the TOEFLorIELTS to learn more. Is One Cheaper? Finally, the cost of each test may be another factor you want to consider. Both
examsgenerally cost about $200-$250, but they have different costs depending on the country where you take the exam. Its worth comparing costs for your country of residence to see if either the IELTS or TOEFL is significantly cheaper. You can check the organizations websites to find how much the TOEFL costs and how much the IELTS costs.
Conclusion: IELTS vs. TOEFLThe TOEFL and IELTS are the two most commonly administered English language proficiency exams. Both test way in terms of format and the way they test skills. In the debate of TOEFL vs. IELTS, ask yourself the following four questions to
figure out which exam is best for you: Which exam does the schools youre interested in accept? Which test plays more to your strengths? Is one easier to get to? Is one cheaper? Whats Next? If youve decided to take the TOEFL, you should know when youll be able to take the exam. Check out our complete list of TOEFL test dates to see what your options
are. What score should you be aiming to get on the TOEFL? Learn what a good TOEFL score is based on the schools your interested in attending. How can you prepare for the TOEFL? Practice tests are one of the best study tools out there, and we have links to all the best practice tests together in one place. TOEFL is a renowned English Proficiency
Test accepted by most of the top-ranked global universities and institutions across the world. This test has two testing modes, they are: PBT - Paper Edition. This test measures 4 academic English skills: reading, listening, speaking, and
writing. Each of these skills requires an effective study plan and strategic preparation to reach the required score. The Score Validity of this test is 2 years. In this article, we will focus on the TOEFL Reading Section, question of the
TOEFL exam is Reading Section. This section can be challenging for students. This part is to assess the reading section will have multiple patterns of guestions based on vocabulary, reference, purpose, inference, and a complete table type. Now
that we know about the reading section of TOEFL. Lets proceed to the exam pattern. Test Timing & Score LevelsTOEFL iBT Reading Test Timings: Internet-Based Test section is given a duration of 54 or 72 minutes. There will be 3 or 4 Reading Comprehension Passages. 10 questions will be asked for every passage. TOEFL iBT Paper Edition The test
timing will be the same as TOEFL iBT Internet-Based Reading test. The only difference is that the mode of exam will be paper-based. Speaking tests in Paper Edition can be taken at home on the students computer. The date and test timings can be decided by the student as per the slots available for the test. Tips to Score HighNow that we had an
overview of the reading section, lets discuss some tips that will help you score high in the reading section. Follow these tips when you are doing your reading test preparation for TOEFL, and youll surely ace the test. 1. Make a Test Strategy Having a test strategy is very important for the aspirant. The first thing that you should start with is to
understand the pattern of the reading section. You can then examine your strengths and weaknesses. Start working on the parts where you require extra attention. Making a test strategy gives you guidance to complete your preparation and achieve all your preparation targets. This will result in high scores. Work on Areas of Improvement After
understanding the pattern, you will be able to analyse your points for improvement. Giving extra attention to the areas where you need to improve will help you excel in the reading section. Be it grammatical perfection, speed of reading, comprehension capacity or the perfection of delivering the answers, everything needs to be practiced for
perfection. 3. Improve your Vocabulary Having a great command on vocab is important to comprehend the passages. The vocabulary in the reading section is of advanced level. Learning new words can be a concern if done last minute. So, you should try to improve your vocabulary from the start of the TOEFL preparation itself.4. Follow Reading
TechniquesThere are different reading techniques which will help you improve your speed of reading, grasping, and comprehending capacity. Since the time is limited and you have multiple questions to answer, it is essential that you speed up your reading and comprehending pace. Many TOEFL online coaching classes help you with these tips and
techniques that can be beneficial for your preparation. 5. Learn Time ManagementTime is a crucial factor in TOEFL reading test: the passages are quite lengthy, and they require good amount of time just to read. Answering the questions will need additional time. Learning time management and dedicating time for every passage will ensure that you
answer all the questions. Good time management skills will help you in getting high scores in the reading section. 6. Take Practice tests are the best way to test your preparation. You will know where you lack so that you preparation. You will know where you lack so that you prepare further. It will also give you the reading section. 6. Take Practice tests are the best way to test your preparation.

method to learn TOEFL words. If your enot sure what the waterfall method is, we break it down for you below. Once you have your TOEFL word, put it in a Know It pile. If you don't know the definition of a particular TOEFL word, put it in a
Struggled pile. After youve gone through each of the cards once, pick up your Struggled pile. Youll now go through this pile again. For words where you know the definition, place them in a second Know It pile next to (but not combined with) the first Know It pile. For words you dont know, make a new Struggled pile. Repeat this process, placing new
Know It piles in a row from left to right. This creates your waterfall. Repeat this process until the Struggled pile, go through the flashcardsuntil you know all the words in the pile. Then, add the most recent (the rightmost) Know It pile. Go
through those words. If you miss any, go through the entire pile again until you get all of them right. It may take awhile to get through the entire pile, but this method will guarantee that you learn those TOEFL words! Continue this process until you get all the way back up the waterfall. This is the best method to study vocab flashcards because
youllspend the majority of your time reviewing the words you struggle the most with, as opposed to just studying the entire stack over and over. Conclusion: Studying TOEFL Vocabulary. Use our list of the 327 best TOEFL
vocabulary words in order to guide your studying. Flashcards are one of the best ways to learn your TOEFL flashcards are one of the waterfall method is a great method to use with TOEFL flashcards. Dont stop studying a word until youve memorized its definition and understand how its used in sentences! Whats Next? Vocab is an important part of the
TOEFL, particularly the Reading section, but its not all you need to know. Get all the info you need to ace the Reading section here! Want more information on how the TOEFL is scored? the TOEFL. Weve gathered information on the highest-quality TOEFL practice tests into one place so you have access to the best study materials! Download our best TOEFL score. Download it for free now: FREE TOEFL eBook: 5 Tips for
15+ Points In order to understand the passages youll see in the TOEFL Reading section and accurately answer questions about them, youll likely need to do some studying before test day. If youre not sure how to study for TOEFL Reading, were here to help! In this guide, we explain the format and types of questions youll see on TOEFL Reading then
explain the materials you need to do well on this section. We then go over all the best TOEFL Reading practice materials available, including free and official resources. We end with final tips to keep in mind during your studying in order to feel prepared and confident on test day. Overview of the TOEFL Reading Section Reading is the first section.
youll need to complete for the TOEFL. Its designed to test your skills in understanding university-level academic texts and passages. This variation in time and length is because some test takers will have un-scored experimental questions on their TOEFL Reading section,
making it extra long, while others will have experimental and which are graded, so try not to worry about 12-14 questions. The passages will each be about 700 words long, and theyll be followed by about 12-14 questions. The passages will
come from university-level textbooks that introduce a topic or discipline. Questions can be multiple choice, inserting a sentence, or putting events in the correct order. For more information on the types of Reading Questions youll see, check out our guide on how to ace TOEFL Reading. What Youll Need to Be Prepared for TOEFL ReadingWhile this
section doesnt require as many skills as some other parts of the TOEFL, in order to do well on TOEFL Reading, youll need to be prepared for each skill youll be tested on. TOEFL Reading tests your critical thinking skills, your vocabulary, how well you understand and identify minor details in a text, your ability to make inferences based on the passage
and how well you understand the authors intent and main points, among other things. In order to do well on this section, your TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should include the following materials: Complete TOEFL Reading practice should be a followed by the following materials: Complete TOEFL Reading practice should be a followed by the following materials: Complete TOEFL Reading practice should be a followed by the following materials: Complete TOEFL Reading practice should be a followed by the following materials: Complete TOEFL Reading practice should be a followed by the followed by the following materials: Complete TOEFL Reading practice should be a followed by the followed
section, we go over the best tools to help you study for TOEFL Reading Practice materials. What makes a practice materials the best? First, the TOEFL Reading exercisesmust be similar in content and format to the real TOEFL Reading section to give you
the best preparation for the real exam. Second, its a major bonus if the practice questions come with answer explanations that include useful tips and strategies for answering Reading questions are useful because they give you advice on how to raise your
score on this section. Official TOEFL Reading Practice materials available for TOEFL Reading practice materials available, both free and paid. ETS doesnt provide just Reading
questions, so each of these resources includes practice resources for the other TOEFL iBT Sampler is a program you can download with official practice questions, and its a great free and official resource to use. In addition to other TOEFL
sections, it includes a complete TOEFL iBT Reading practice test (three passages), with a format very similar to that of the real TOEFL. Unfortunately, the Sampler only works with Windows; you cant download it with a Mac. TOEFL iBT Quick PrepQuick Prep contains four PDFs of practice questions, which each contain one or two Reading passage
along with question sets. There are a total of six Reading passages, which is the equivalent of two complete TOEFL Reading passage with
an accompanying question set. TOEFL Practice Online (TPO) TestsTPO tests are retired TOEFL, and, because of that, they arent cheap. Youll have to pay $45 for each complete TOEFL you buy (you cant just buy individual Reading sections). Your
exam will be automatically graded after you finish it. This is a useful resource, but if you dont want to spend that much money on a TOEFL Prep BooksETS sells several official TOEFL prep books. The Official Guide to the TOEFL Test, in
addition to explaining the types of questions on the test, contains numerous practice questions and three full-length exams. Theres also the Official TOEFL iBT Tests Volumes 1 and 2. Each of these books contains five unique TOEFL practice tests, available on paper and the computer. Youll need to study more than just the alphabet to do well on
TOEFL Reading. Unofficial TOEFL Reading Exercises Youshould be careful when using unofficial prep resources since not all of them are reliable. Some are high-quality and very similar to the TOEFL Reading exercises and complete
TOEFL Reading practice tests. All of them (except the prep books if you buy them) are free. Exam EnglishThis site has four TOEFL Reading practice tests, each with one passage and about ten questions. Its not quite as high-quality as official practice tests, each with one passage and about ten questions. Its not quite as high-quality as official practice tests, each with one passage and about ten questions. Its not quite as high-quality as official practice tests, each with one passage and about ten questions. Its not quite as high-quality as official practice tests.
Den offers one free, unofficial examwhich includes a complete TOEFL Reading practice testwith three passages they use are much closer to the TOEFL Reading quizzes, each
with a passage and about a dozen questions. This resource is not as high-quality as some of the above resources (its questions), but its a solid resource if youre looking for more practice. Graduates HotlineThis site has eight Reading
passages, each with a set of questions. Like Test Prep Practice, the questions sometimes arent a great representative of what the TOEFL will be like, but they will help you get practice with critical reading and vocabulary skills which can be helpful, especially early on in your studying. Unofficial Prep BooksPrep books, even unofficial ones, are often a
great resource for practice questions. Most books include sample Reading questions as well as one or more complete practice to TOEFL reading practice tests, at the end of the book. You can learn all about the best TOEFL reading practice tests, at the end of the book. You can learn all about the book include sample reading practice tests, at the end of the book include sample reading practice tests.
but using them can help you strengthen the skills you need in order to do well on this section. DuolingoDuolingo is a popular and free site that helps you learn languages. Users answer different types of questions, including reading questions. You cant choose to only answer reading questions, so this isnt the best resource for targeted reading
practice, but its still a good way to strengthen your overall reading, writing, and vocabulary skills. For advanced English learners, many of Duolingos beginning problem sets will likely be too easy, but you can take a quiz to figure out where in the program you should start. Reading on Your OwnIn order to have strong enough reading skills to
understand and analyze the passages youll come across in TOEFL Reading, you should make it a habit to read English regularly. Its best if you do some reading every day in order to build up your skills. The most useful things to read will be university-level books and papers, and this is discussed more in the next section. However, any reading in
English that you do will help you improve your Reading skills, and many times you learn and improve more when youre reading something that interest you, or novels. Vocabulary ResourcesA strong vocabulary is essential for doing well on the Reading section where youll come
across a wide variety of words and occasionally have questions that directly ask you what a specific word means. Reading in English regularly, as mentioned above, will help you learn new words and expand your vocabulary, and you can also check out our guide to the 327 vocab words you need to know for the TOEFL for more ideas! How to Get the
Most Out of Your TOEFL Reading PrepNow that you know all the best practice resources for TOEFL Reading you can get started with your studying. The next step is to use those materials in the most out of your TOEFL Reading practice. Reading practice way in order to get the score you want on test day. Follow that you know all the best practice resources for TOEFL Reading practice.
University-Level TextsAs mentioned above, the best material to read in order to prepare you for TOEFL Reading is university-level books with the words Introduction or Beginning in the title (such as Introduction to Russian
History or Beginning Chemistry. You can also look at 100-level college classes and see which textbooks they assign students. These are likely introductory texts. Try to read a few pages from these books every day. Its more useful to do a little reading every day than to try and cram a lot of reading in at one time since this can make it hard to take in a
lot of information, and its not as close to what the TOEFL will be like. By reading academic texts regularly, youll improve your English reading skills and be more prepared for whatever passages the TOEFL throws at you. Make It a Habit to Read ActivelyIt has happened to all of us: you start just dragging your eyes across a page, not taking in any of
the words youre reading. It can be tempting to read this way because its faster and easier, but, unfortunately, its not going to help you improve your reading skills. Instead of just passively moving your eyes across a page, make it a goal to read actively, pause every few paragraphs and think about what youve just
read. What points is the author trying to make? How are they supporting those statements? Are there any words you arent sure of? Try to figure out what they mean from their context, but if you still dont know, look them up. Forcing yourself to reading will improve your critical reading skills and make the TOEFL Reading
questions easier to understand and answer on test day. Even if you get bored while studying, be sure to keep reading actively! Use Official Practice Materials WiselyAs mentioned above, official TOEFL resources have the best practice Materials WiselyAs mentioned above, official TOEFL resources have the best practice Materials WiselyAs mentioned above, official Practice Materials WiselyAs mentioned above, official TOEFL resources have the best practice Materials WiselyAs mentioned above, official Practice Materials WiselyAs mentioned above, official TOEFL resources have the best practice Materials WiselyAs mentioned above, official Practice Materials WiselyAs mentioned above, which will be a supplication of the WiselyAs mentioned above, which will be a supplication of the WiselyAs mentioned with the Wiseland WiselyAs will be a supplication of the W
use them all up at the beginning or save until right before you take the test. You want to be regularly seeing these questions, make sure you set aside enough time to really focus on them. Its best if you can take a complete Reading section (three passages and their questions) in one
sitting to get used to how itll feel on the test day. Practice them in a quiet room with no distractions to get your most accurate score. Practice Writing in EnglishYoure preparing for the TOEFL Reading section. When you write in English regularly, you force yourself to think
about how sentences are constructed, how you can express a certain point, and which vocab words you need to use. The more practice you get doing this yourself, the easier it will be for you to understand whats going on in the TOEFL Reading passages on test day. Try to write in English at least once a week. You can write about what you learned in
class that day or another topic that interests you. In addition to helping you prepare for the Reading section, this can also help you on TOEFL Reading and what skills youll be tested on will go a long way to helping you do well on this section. Use official and unofficial
study resources to help you prepare for this section and get an idea of the passages youll see and the questions youll be asked. In order to get the most out of your TOEFL Reading studying, make it a priority to read university-level texts, read actively, use official materials wisely, and practice writing in English. By following these tips, youll help
yourself build a strong foundation that will prepare you for each skill TOEFL Reading tests. Whats Next?Looking for more information on the TOEFL Reading section? Learn what a good TOEFL score is based on the schools
youre interested in attending. Which words do you absolutely need to know for the TOEFL? Check out our guide to the 327 best words to learn for the TOEFL. Writing section? This guide has all the tips you need to do well on TOEFL Writing. Well explain exactly
 what you can expect to see in this section, then give TOEFL Writing tips tips on how to answer both essay types, how you should study, and what you should do on test day to make sure you ace this section. Overview of the TOEFL Writing SectionThe TOEFL Writing Section Independent
Writing. Its the final section of the TOEFL. After this, youre done! Youll have 20 minutes to plan and write the Integrated Writing Tasks. Both essays will be written on the computer. Well discuss the tasks and what youre expected to write in more detail in the next section. After you
complete the exam, your essays will be graded by several (typically four) graders. Each essay will receive a score from 0-30, which is your official Writing section makes of 25% of your total TOEFL score (from 0-120). What Types of Questions Are on TOEFL
Writing? The Writing section contains two tasks. In this section, well explain the format and content of the tasks and give an official example question and response tips for each question type. TOEFL Integrated Writing task requires you to use listening, reading, and writing skills. For this task, you will have three minutes
to read a short passage, then you will listen to a short (approximately two-minute long) audio clip of a speaker discussing the same topic the written passage covers. You will have 20 minutes to plan and write a response that references both of these sources. You wont discuss your own opinion. During the writing time, youll be able to look at the
written passage again, but you wont be able to re-hear the audio clip. Youll be graded on the quality of your writing as well as how well your response represents the main points of the audio clip and written passage and how they
relate to each other. Want to learn more about Integrated Writing? Watch this short clip below: Sample TOEFL Integrated Writing Tips for AnsweringFrequently refer back to the audio clip and written passage when making an argument. A key part
of your grade is how well you show you understood the information these two pieces contained. However, dont just copy portions of the audio clip or passage into your essay; that doesnt show your English skills. Always rewrite the main ideas in your own words. When answering this question, pay careful attention to any differences between the
information in written passage and the information in the audio clip is playing. You wont have an opportunity to listen to it again. Dont inject your own opinion. Only discuss what the audio clip and passage are saying. Youll only discuss your own
opinion on the Independent Writing Task. TOEFL Independent Writing Task. TOEFL Independent Writing task, youll receive a question on a particular topic or issue. Youll have 30 minutes to plan and write a response to that topic that explains your opinion on it. Youll need to give reasons that support your decision. Its recommended that your response to
this task be at least 300 words, and youll be graded on how well you develop your ideas, how well you develop your ideas. What this video: Sample TOEFL Independent Writing? What this video: Sample TOEFL Writing? What this video is 
to make things up. This essay is all about creating a strong argument for your opinion on a topic. If you dont really care about the topic youre supposed to write about the first paragraph of your essay. There should be no doubt as
to how you feel about the topic.Longer isnt always better. The minimum recommended length for this essay is 300 words. If you have spare timeand points you still want to make, keep writing, but dont feel like your essay needs to be 600 words. Aim for your essay to be at least 300 words, but if its only, say, 320 words, its still possible for it to get a
top score if youve written it well. TOEFL Writing Study StrategiesYou should absolutely study the TOEFL Writing section and do practice essays before exam day. Below are some tips to help you get the most out of your studying. Study Strategy 1: Study the 2Essay TypesThe two essays you need to write for this section are more different than they
may appear at first glance, and its important to be aware of those differences to understand how to get top scores for both essays. For the Integrated essay, you should not give your own opinion on the topic, and youll need to refer to specific points in the audio and written passages to back up your claims. For the Integrated essay, you will have to
give your own opinion, along with specifics to back it up. Completing practice essays will help you become more familiar with what the prompts will look like (see next section), and you should also look at the rubrics TOEFL graders will use when grading your essays so you get a better understanding of what you need for a high score. Study Strategy 2:
Take TOEFL Writing Practice EssaysAny writing you do in English can help strengthen your skills and help you become more familiar with the different essay prompts, strengthen your writing skills, and learn how to
manage your time when writing essays. We have a guide to all the best TOEFL Writing practice essays. Check it out to get some great study materials for the Writing practice essays. We have a guide to all the best TOEFL Writing practice essays. Check it out to get some great study materials for the Writing practice essays.
to time yourself. Give yourself 20 minutes to plan and write an Integrated Writing essay and 30 minutes to write an Independent Writing essays. Timing yourself when you be more prepared for test day since youll get practice essays, it
can be easy to spend too much time preparing which will cause you to run out of time before you finish writing. Completing timed practice essays will help you avoid this. You should be at least
300 words. Study Strategy 4: Review Your TOEFL Writing Practice EssaysAfter you write each practice essay, you should also review it and think about how well it answered the question. This is easier to do if the practice essays you
write, even if they dont come with any answer explanation. You can also assign your essays a score or have a tutor or friend whos also studying as soon as youve finished your essays, but its important to do this step because it will get you thinking about what great
essays look like and how yours can be improved. TOEFL Writing Tips for Acing the Section on Test DayThe last step in acing TOEFL Writing goes smoothly while youre completing the Writing tips to help ensure everything goes smoothly while your EssaysSince you
only have a limited amount of time to complete your essays, it can be tempting to start writing the second your time starts. You want to avoid doing this, however. Spending just a few minutes planning your essays, it can be tempting to start writing focused and on topic, and it can often help you write faster because you know what youll be discussing
next. Spend a max of two to three minutes writing a basic outline for your essay. It should include: Your thesis statement (the main point of each paragraph youll have in your essayAny specific examples you can quickly think of (either from the included passages or your own opinion
depending on the essay) to back up your claimBefore you begin writing, reread the essay prompt again to make sure your outline answers the question Even if you craft a beautiful essay with perfect English, you wont get a good score if you don't answer the
question properly. It can be easy to go off on a tangent or begin to discuss something other than what the question is asking. For example, the Independent Writing sample question above asks you to explain whether its more important for teachers to relate well to students or have excellent knowledge of the subject theyre teaching. In your essay, you
might include an example of a great teacher you had and spent the majority of the essay explaining why that teacher was your favorite. Even if your writing is flawless, you wouldn't get a good score because your favorite. Even if your writing is flawless, you wouldn't get a good score because your favorite. Even if your writing is flawless, you wouldn't get a good score because your favorite.
you avoid, so be sure to do both, and remember to reread the prompt as you write your essay to make sure your essay, its helpful if you can spend a little bit of time looking it over. Even setting aside 60 seconds can give you enough time for you skim your
essay and catch and spelling or grammar errors or any sentences that arent clear. Fixing these little mistakes can help you from losing points when your essays with some time to spare for reviewing. Acing TOEFL Writing: What
You Need to KnowIn order to do well on the TOEFL Writing section, its important to first learn exactly what types of essays youll be expected to write, what they should include, and how youll be graded on them. While yours estady in graded on the graded on them. While yours estady in graded on the graded 
review your practice essays. On exam day, during the Writing section you should outline your essays before you begin writing, refer back to the essay prompts regularly, and leave yourself a bit of time at the end to review what youve written. Keep these TOEFL Writing tips in mind, and youll be well on your way to writing great essays. And remember,
this is the last section of the TOEFL. Once you finish the Writing section, youre done! Whats Next?Not sure what TOEFL score you should be aiming for?Learn what a good TOEFL Writing questions? Check out our guide to the best ways to practice for
