Barbie is known for always helping her friends out, but today she promised a little bit more than she can take. Her parents, Chelsea, Nikki, and Renee, are all counting on her. Give her a hand in the Dreamhouse Adventures game so she can end the day successfully! Today you have to play sports, hide and seek, act as a nanny, and be a good friend!
Barbie has a lot of events planned, so she needs all the energy she can get. Her friends will get mad if you ignore them and ruin the day! Keep all your promises! Since the Badminton competition Barbie is rooting for, Renee decided to help her train. Although she plays very well, she still needs to perfect her swing for a guaranteed win. Now go in the
backyard and start practicing! To control your character, use the Left and Right arrow keys. This will make her move under the birdie and return it once its close enough. Nikki is also preparing for a contest. But this time, its for horseback running, and she needs to borrow Barbies horse, Tawny! You must jump over as many obstacles as you can. The
horse is ready to go, but how about you? You totally got this! When you have to avoid an object, left-click and watch Nikki fly high. The most important promise was made to her parents. Barbie agreed to babysit her little sister until they get back home. To make it even worse, today they were supposed to bathe Honey, their dog, but he seems in the
mood to play. The puppy keeps running and hiding around the house, so help Chelsea find him! All you have to do is click on him once you see his ears or tail sticking out until the timer runs out. To complete the game, you need to score all three stars in each stage. Dont worry! If you make a mistake and fail the level, you can always go back and try
again for better results. Make Barbies day less stressful by completing all the tasks in time! And never forget: staying organized is always the key to success. Have any questions about your order? (Budge studios please reply to this!!) its a fun game but I really am
upset about this update!! Budge I know you dont really reply to most reviews but this one is important you can tell how many people are upset about the update I mean how could they not be upset I mean you LITERALLY took absolutely EVERYTHING FUN that was FREE and made it cost money I will say that if you hadnt made this update more
people would enjoy it and if your just here for money and not to make people happy then why JUST WHY please give everyone back what was free that is now NOT free this is not a joke its a sad thing that you did in the update was WRONG and no
Im not trying to make you do anything Im just telling you that the update has left everyone (BUDGE PLEASE READ THIS REVIEW) completely DEVASTATED!!!!! Hi, my name is Alessandra and this was like oh top star review like I cant believe how much this game is like its mind blowing so um this is very nice and I just cant believe it like how do they
make this game so realistic its like were playing Barbie Dreamhouse right but its like in the real world every time you brush your teeth you take a shower you go to the beach would go here, its incredible. How do this? Its incredible. They work really hard work and make a realistic
everything things that they probably do so they probably do so they probably do what the dogs do like they play on their computer. They have a bunck bed. I cant believe they the images so yeah, this is it. They use the same image as Barbie in this game that they made in Netflix Im amazed. I cant
believe it. This is really nice little kids out there. You should really play this game because you can unlock things and its fun while you do it and you just have to wait time, but that here is amazing. It is crazy so I hope your kids play this game because it teaches you a lot that you could do so. Developers out there thank you for
taking time out of your day to read this! So the thing about this game is that everything all the kids even tweens and teens really want is what you advertise in the App Store. Of course you dont tell them they dont actually get to play and access all of that do you? No you dont because if you did you wouldn't be doing as successful as you are doing
now. Well honesty is the best policy and you know that dont you? I bet all the people who download this game are really disappointed when they realize that you can make a difference and make this game better! How do you think a four year old is going to
feel when they find out that they cant access the pool or become a mermaid. They are going to feel pretty sad. I read the other reviews and almost all of them are generally about this whole VIP program. Please unlock some more stuff for your players who play your game and wonder what it would be like to be a VIP. I understand that they dont pay
you money every month but they devote time to your game and dont want to feel lesser than because they dont fill your pockets with cash. Please, please unlock some stuff for us non-VIPs and I promise you will see a difference in your reviews! Thanks again and take this into account before overlooking it, okay? Thanks, bye!
