File manager apk download for android tv. Mi tv manager apk download. File manager pro android tv apk download. Download manager apk for android tv.

File Commander is a powerful file manager that allows you to manage any file on your Android device, cloud or network with a clean and intuitive interface. Fully optimized for Android P, File Commander comes with storage security, recycle bin, storage analyzer, file converter, and 5GB of free MobiDrive storage. ACCESS AND MANAGE YOUR DATA • Easily search for files on a fully customizable home screen with quick access elements • Music, photo and video categories with sections for archives, documents and more • Built-in audio and video players • Support for the most popular cloud services: Google Drive, DropBox, Box and Microsoft OneDrive • Recycle Bin* allows you to recover and manage deleted files • Easily manage external storage devices such as microSD and USB cards OTG drives (if supported) Access to hidden files and folders* System protected view data Quick selection Continue from where you left off with the latest files. Transfer files to your computer. Manage and transfer files and folders directly from your computer. Add files to archives to save space and data. Mark* your favorite files and folders for faster access. Connecting to nearby devices via Bluetooth login profile can save application settings and personalization across devices • Windows/SMB based location access 1 Network locations, FTP/FTPS servers and remote sharing (for Sony Xperia devices) MOBI DRIVE • Get 5 GB of FREE storage (or up to 50 GB in the premium version) to securely store your files • Share all files and folders without limits • Available offline • Easy access to selected MobiSystems Drive files even without an internet or data connection STORAGE ANALYSIS • Storage analyzer* shows information about what is taking up space • Recommends what can be removed or moved to free up space • Analyzes internal and external VAULT storage spaces • File Commander Vault helps protect confidential data • Select the desired files and folders and hide them from prying eyes. • Strong password encryption ensures that no one but you can access your files. FILE CONVERSION • File Commander includes a file conversion service** that allows you to convert over 1200 files in various file formats. Works with almost all available file formats such as: PDF, DOCX, XLSX, EPUB, MOBI, HTML, TXT, GIF, JPG, FLAC, MP3, MP4, M4A, CSV, BMP, PPTX, TIFF and many more • This feature is available in File Commander Premium. ** Unlimited conversions available for File Commander Premium users. File Commander permissions granted - Plants vs. Zombies (GameLoop) Protect your house from zombies Plants vs. Zombies 2 (GameLoop) Defeat the zombies on your journey Time Clash of Clans (GameLoop) Play this popular Android game on PC The future of your
