walking cooking gardening yoga/pilates/stretching creative writing/blogging crossword puzzles/sudoku photography There are so many hobbies that you can do at home. Everyone is different and everyone is looking for something different in a hobby. Are you looking for a hobby that encourages you to exercise more, spend more time outdoors, make new friends? Are you looking for a hobby that is free or inexpensive? Do you want a hobby that requires little equipment and supplies? Are you looking for a hobby to add to your resume? Start by thinking about what you want to get out of your hobby. Then, scroll down to see ideas for hobbies to help you make money, hobbies for women, hobbies for men, hobbies to do alone, interesting and unique hobbies, hobbies to do indoors and more! Leave a comment with what new hobby you decided on! We would love to hear about it! This is a bit tricky because if its a hobby, it generally means that youre not making money from it. However, very often, when you put a lot of time into a hobby and become proficient at it, your thoughts may naturally turn to how you can make a profit from your hobby. If this is you, and youre looking for a list of hobbies that you can hopefully one day turn into a money making side hustle, start here blogging writing a book, poetry or ebook selling items youve created (craft items, art pieces, knitted hats, etc) selling vintage items youve collected selling baked goods youve made selling your skills (for example, turning your party planning hobby into a business) teaching a particular sport youve excelled at teaching a musical instrument teaching voice lessons teaching a foreign language Places you can sell your products include Etsy, Amazon, eBay, Society6, and craft shows/fairs. Ive sold on Etsy for a decade now, and its been such an enriching and challenging experience. I even created a list of crafts to make and sell on Etsy if youre looking for even more online selling inspiration. Obviously, there are no gender specific hobbies. Anybody can learn and participate in any hobby they choose. However, some people may be interested in a hobby that would allow them to make some friends and build community with other women. If youre looking for a hobby that is predominately enjoyed by women, try this list: sports such as figure skating, dancing, cheerleading activities such as pilates and yoga arts and crafts activities, including crochet, knitting, watercolors, card making, scrapbooking, jewelry making etc. collecting items such as shoe or dress-themed items, tea items etc. book clubs or wine clubs Once again, anyone can learn and participate in any hobby they like! If, however, you want a list of hobbies that is predominately male-oriented, try these: most sports, including most contact sports model building woodworking wood turning wood burning BBQ and grilling beer and spirits tasting collecting beer bottles collecting model airplanes, matchbox cars, model cars, etc. Especially as the weather cools down, we are looking for hobbies we can do indoors. While outdoor hobbies have their benefits, indoor hobbies can be done all year round, day or night, no matter the weather. These are my favorite hobbies to do indoors reading puzzles journaling sketching painting drawing board games/card games yoga/pilates/stretching listening to music sewing/crochet/knitting writing visiting museums Likewise, sometimes you want to participate in a hobby with others, and sometimes you just want to do something alone. Hobbies that you can do alone make for great self-care time! Here are some of my picks for hobbies to do alone reading puzzles journaling sketching painting drawing yoga/pilates/stretching listening to music writing sewing/crochet/knitting baking cooking Interesting people often have interesting hobbies! What makes a hobby interesting? Usually, interesting hobbies go beyond the ordinary and usually entail lots of follow-up questions! If youve ever heard someone share a hobby and thought Oh neat, tell me more!, chances are, you just had your interest piqued! Here are some interesting hobbies to make you more memorable and intriguing! having a unique collection (think: items from a particular time period, world event, movie, memorabilia around a person, place, etc.) taking up a not-often-thought-of instrument, sport, or language focusing on a unique food group (for example: wines from a certain region of the world or food such as vegan desserts) skill-specific hobbies such as vintage costume design or stained glass traveling to a specific region or area of the world becoming an Earth advocatecoming up with ways to save the environment, ways to save energy etc. Sometimes, were in the mood for a hobby that is an investment or takes a lot of time and/or skill. A lot of the time, though, we just want an easy hobby that we can pick up quickly, doesnt require a huge time or monetary investment, and needs minimal supplies. Thats where this list of easy hobbies comes in! Choose one to get started on your new hobby today! reading drawing (heres a favorite drawing book for beginners) walking yoga/pilates stretching puzzling journaling hand lettering card games online games writing poetry meditation see our best books on painting for a fun hobby! Obviously, something that is fun for one person very well may not be fun for another. BUT, there are definitely some hobbies that lend themselves to enjoyment more than others. Here are some of the most fun and enjoyable hobbies: hobbies that include others and have a competitive edge (a lot of sports and physical hobbies fall into this list), hobbies that include others where you are learning something together (i.e. taking a class together), volunteering bingo or other group games getting together with friends and other social activities (try these things to do at a sleepover for activities to do with friends) creating and working through a bucket list (heres a realistic 30 by 30 list to get you started) Do you detect a pattern? From what I can tell, hobbies that are social in nature and include other people are often the most enjoyable. Whether its a bunko group, a book club, a cooking class or a team sport, doing a hobby with one or more people can be fun and inspiring! Quite understandably, people often want to know what hobbies would look best on a resume or cover letter. The best answer I can give you to this is to be true to yourself! If you are passionate and curious about a hobby, this will show through in an interview if you are asked about your hobby. In short, having an interest in varied hobbies (2-4) can help make you look interesting, curious and ambitious. Our list of mental hobbies is a great place to start if you are wanting to become smarter. Honestly, though, ANY hobby can make you smarter. Almost all hobbies help challenge you and teach you new skills which, in itself, can make you smarter. If you are looking not just to be smarter, but to appear more intellectual and intelligent, the following hobbies are great places to start learning a new language reading biographies and autobiographies playing word games such as Wordle and doing crossword puzzles attending lectures visiting museums watching documentaries If you are interested in activities for introverts, you may want to consider a new hobby! Hobbies for extroverts and introverts have many overlaps, but if you are looking for a introvert-specific hobby, consider one of these reading film watching/review starting a blog crafting Cricut crafts (see our lists of Disney SVG, Christmas SVG, and other free SVG files for inspiration) starting a YouTube channel (you can have a YouTube without showing your face, if desired) podcasting puzzling online games Sudoku walking yoga or pilates writing drawing-Drawing as a hobby not only enhances self-expression and creativity but also heals the mind and body. When drawing, using a pen that fits your hand can greatly improve the comfort of drawing and bring a smoother creative experience. You can choose Custom Pens Low Minimum at custompens.com. A popular school of thought says you need five hobbies to maximize your potential and self-development. Use this list as a starting point for the five hobbies you need, but feel free to switch up based on your own needs and interests. -A hobby to help make you money. Hobbies that help you make money can be a great addition to (or be in place of) a day job. These hobbies can include: making and selling crafts on Etsy or at craft fairs, blogging, selling on eBay, or offering a service such as dog walking. -A hobby to help you socialize. Being social is so important to human beings to help stave off loneliness. Why not have a hobby to help maintain those social bonds? Hobbies that help you socialize can include club sports, taking an art class, or joining a book club! -A hobby to help you stay creative. There are so many ideas out there for hobbies to help you stay creative! Consider one of the following: painting, drawing, sculpting, drawing, writing or crafting! -A hobby that helps you build your knowledge. Knowledge-building hobbies help make us well rounded. These hobbies can include going to museums, watching documentaries, or doing crossword puzzles. -A hobby that helps keep you in shape. Fitness hobbies can do double duty in that they can also be social! Consider hobbies such as yoga, tennis, walking or weight training! Looking for a fun quote to help inspire your hobby journey? Here are 10 of my favorite quotes on hobbies: -I dont have time for hobbies. At the end of the day, I treat my job as a hobby. Its something I love doing. David Beckham -A hobby a day keeps the doldrums away. Phyllis McGinley If something happened where I couldnt write music anymore, it would kill me. Its not just a job. Its not just a hobby. Its why I get up in the morning. Hans Zimmer -The art of bread making can become a consuming hobby, and no matter how often and how many kinds of bread one has made, there always seems to be something new to learn. Julia Child - Today is life-the only life you are sure of. Make the most of today. Get interested in something. Shake yourself awake. Develop a hobby. Let the winds of enthusiasm sweep through you. Live today with gusto. Dale Carnegie -We were told not to turn our hobby into our job, but to turn our job into our hobby. As kids, we were told not to pursue our dreams! Khalid -I think fashion is a lot of fun. I love clothes. More than fashion or brand labels, I love design. I love the thought that people put into clothes. I love when clothes make cultural statements and I think personal style is really cool. I also freely recognize that fashion should be a hobby. Anne Hathaway -You dont get stressed if you think your job as a hobby, not as a duty. Henry Lau -When my YouTube videos started to get really big, I was like, Man, this is pretty sweet. It started as my hobby, and then I started traveling and learning how to play different instruments, and then it just kind of became my life. Austin Mahone -I think the best way to find out about something is to try to do it to the max. A lot of people take up a hobby or sport and then find an excuse not to carry on with it. Once I start something, I wont stop until Im as good at it as Ill ever be. Bruce Dickinson I really hope this list of hobbies gave you some inspiration for the next time you feel bored and want to learn something new! GIVEAWAY!
