Hello when answering the phone in chinese

Hello used when answering the phone. Why do we answer the phone with hello.

À ... -, not only used in the phone call, it was even used before the invention of the phone. À ¢ œ À, À ¥ Á½Á | "À | Á Á" Á" Á ¥ Á ¥ á ¢ Á"á"en" Á, Á, Á © (BÁfÁ' HÁšš¼o and ¢ ¢ Qá \$ ng zā ¢ i shuÁ ¥ yā «biÁf n) Á ¢ á, -" Sorry, could you say that again, please? (QÁš ng WÁ"n Shry nÁšš¼ WÁ"i) or Á"á½ Á - Á©, á, -, Á, -,? Chinese telephone calls: I will return the call sometimes you need to put the other person waiting, where this phrase would be useful. Responding, it took me a few moments where I was: "I just got to xi, one afternoon before the night before. Do not worry, you'll get the SA ©! Fleco, which is a wonderful Chinese dictionary . It's like Facebook, whatsapp and eBay, all rolled up in one. Unlike the phone call live, it has time to think and look for strange words in the dictionary. For text with success in Chinese, you will need it. S: A basic understanding of the rules of Chinese grammatic. An intelligent phone with a Chinese keyboard installed (here, how to activate yours if you have an iPhone) a wechat, I heard ¥ Á¼Á©Á¼ ¢ (WÁ¼" ¢ xÁfÁ-n), account and application as this is what everyone in China use it. The classical way to do it is saying Á ... -, (WÁf What Á © i) Á ¢ á, - á "Hello / HeyÁ ¢ á, - or ... -, Á½ Á½ Á Á Á½ (WÁf © I NÁšš¼O) for more formal telephone calls. You can look at everything you want, but that you will not help the person at the other end of the line, understand what you are saying. Keep the conversation. I could point and ask for noodles from ¥ Á © | á ¢ (Fào GuÁšš¼n) "Restaurant on the road, but discussing the complex financial transactions, or even giving my address, in the phone was a complete one. Another important one. Why is it important to learn the telephone Chinese Phone VocabularyYou can not rely on visual signals. In response to these questions, it will simply say "" ... Á ¢ á, -" (WÁ \$ 'ShÁfÁ-) Á ¢ á, - "I am ... of an organization. Á á ¢ œlá ¢ "" t should not be translated as "we see ourselves again", the meaning of Á ... á ¢ Á"á \$ is only adios, many Chinese words " They are not just the combination of the meanings of the two characters, they are careful with that in their additional learning. Speaking Mandarin Chinese in the phone is more difficult than in person. First, it lacks the visual element, you can not resort to universal gestures, or eliminate your smart phone and postpone a translation application. In the characters, this can be written as Á Á |
