But while they were burning and building a house, hoping that love would already do it... So your love ends as soon as it begins. Superstar Shah Rukh Khan offers an electrifying performance as Samar Anand, a young immigrant working in London. A signed paper cannot contain a pair. However, Samar suffers a serious accident and Meera shoots God to leave Samar when he only wants to survive. A love gA Uttliche, a love of all hearts, a love that consumes nothing but energy, a love that becomes deeper with the separation of right and sacrifice. In the year of his convention publication, he won all the important prizes, Shah Rukh Khan passed through this film to become a superstar and defined the "Bollywood". The mission of him is to discover the truth about Veer and Dafä to ensure that Justice Genä Salkge is done. Veer-Zaara is a saga of love, separation, courage and sacrifice. With the destination of Samar Anand in mind, she makes the mission of this fascinating story, deciding the steel of love to choose the sacred simplications and falls in love with her desperately in Samar. Will Akira will find the way of love instead of the form of love, will win Samar the battle or God will be assumed by the love of him? WDN How very much love stories are married to the "goal" is still the fact that the wedding is just the beginning. Saathiya continues where most of love stories ends.
