Waterloo Region reported a record number of COVID-19 cases for the second day in a row, adding 573 more cases on Thursday. Ontario is delaying the return to school until January 5 due to the recent increase in COVID-19 cases. Chief Medical Officer of Health Dr. Kieran Moore made the announcement Thursday afternoon after a cabinet meeting earlier today. Ontario is shortening its COVID-19 solitary confinement period for some people and introducing new testing guidelines for the public. Chief Medical Officer Dr. Kieran Moore announced Thursday. Universities have already announced plans to delay face-to-face learning in January, leaving staff and students frustrated with the plan for their winter semester. Many restaurants and bars are altering their New Year's Eve plans in response to the increase in COVID-19 cases. Since the beginning of COVID-19 vaccination, more than 1,069,000 doses have been administered in the Region of Waterloo. Let's take a look at the effort of a year. The Region of Waterloo announced that on Thursday it is adding more than 11,000 third-dose appointments at two COVID-19 vaccine clinics. The Huron Perth Healthcare Alliance, which includes Stratford General Hospital, Clinton Public Hospital, St. Marys Memorial Hospital and Seaforth Community Hospital, is postponing non-emergency surgeries due to staff shortages. Teachers' unions are weighing the province's decision to delay the start of school by two days. The Government of Saskatchewan is reducing the self-isolation period for fully vaccinated individuals who have tested positive for COVID-19 from 10 days to five days. Saskatchewan reported 589 new cases of COVID-19 on Thursday, along with four more deaths. On Thursday, Saskatchewan's director of medical health, Dr. Saqib Shahab, called on residents to celebrate New Year's Eve responsibly. A senior advocacy group is about the mental health of long-term care home residents, following the reinstatement some visitation restrictions at atPower facilities. The extreme cold grip of the province led to a 137-year-old temperature record that breaks in Regina earlier this week. Saskatchewan establishes a record of maximum use of all days, the MiA © rools at night, reaching 3,686 megawatts (MW) of power. A Saskatoon dog has been found safe and returned to the family after getting lost in the Christmas vase and spending four days in Extreme Friar. The Western Hockey League has paused all the equipment activities for SWIFT current Broncos after four players were added to the Line's COVID-19 protocol list. The deaths of two people who are found after a fire in a northern Battleford house are now considered homicides, according to RCMP. The Government of Quebec will reintroduce a curfew 10 p.m. As of December 31, Premier Francois Legault announced on Thursday night. In addition, restaurants must close their dining rooms, meetings are prohibited and companies have been ordered on Sundays. Ontario is shortening his isolation period Covid-19 for some people and introducing new test guidelines for the public, the medical officer Dr. Kieran Moore announced. The federal minister in charge of the help to the unemployed, says that the unemployed Canadians who refuse to vaccinate can be vaccinated themselves blocked by the benefits, as long as the public health concerns remain the top of the mind. Registration for most cases of Covid-19 informed in a single day broke on Thursday, when the province reported that cases of number 1,439 higher than ever before in B.C. A growing number of provinces is delaying the return of students to school or turning to line learning after the winter pause due to concerns about a wave of Covid-19 cases by the Omicron variant. CTVNews.ca has the last thing parents and students can expect. WestJet Airlines Ltd. says it is being forced to cut 15 percent of its flights until the end of January, as it is a shortage of staff due to the Omicron variant. Are you a Canadian who has decided to move south of thefor less COVID-19 restrictions? CTVNews.ca wants to hear from you. Jan. 1 is going to feel like Garden Day for all those who pay into

the Canada Pension Plan. Just like last year, contributions are rising again by more than originally expected, and the reason again lies in the unique impacts of the pandemic on the labor market. The U.S. Centers for Disease Control and Prevention warned people on Thursday not to cruise, regardless of their vaccination status, due to on-board outbreaks fuelled by the Omicron variant. variant.
