Mēs izmantojam sīkfailus un datus tālāk minētajos nolūkos.nodrošinātu un uzturētu Google pakalpojumus;izsekotu darbības pārtraukumiem un aizsargātu lietotājus pret nevēlamu saturu, krāpšanu un ļaunprātīgu izmantošanu;mērītu mērķauditorijas iesaisti un vietņu statistiku ar mērķi izprast, kā mūsu pakalpojumi tiek izmantoti, un uzlabot šo pakalpojumu kvalitāti.Ja izvēlēšities opciju Looking forward to seeing everyone at the meeting tomorrow and discussing our strategies. We will provide customized information for you, including data about new services; advise on advertising and improve their effectiveness; offer personalized content (depending on your needs); show personalized ads (depending on your needs). If you choose "Ignore all", we will not use the provided data for those purposes. The effect of non-personalized content depends on factors such as ad volume, actions taken in active search sessions, and geographical location. Non-personalized ads depend on ad volume and geographical location. Personalized content and ads may also produce better results, personalized recommendations based on previous behavior, recommended reservations matching your travel plans, and special discounts for our users. If you want to use this feature, we may also analyze data from past interactions with the same product or service to personalize offers. The Travel Arrow browser extension sits in your browser, offering you amazing deals on your next vacation to save a lot of money! As your all-in-one travel agent, Travel Arrow helps you find hidden deals and savings on your favorite travel sites! Some of our fantastic features include: A complimentary travel agency service that works as soon as the extension is installed; we are available 24/7 to offer assistance via phone. If you're worried about getting the best rate at a hotel or rental car, don't be! We can find exclusive rates only for TravelArrow users when booking through us! Our browser extension also offers something extra: earn gift cards for your favorite airlines and hotels with every purchase made online using our MilesBack feature! For everyone looking to save some money on flights, we've got you covered. TravelArrow enhances your Google Flights experience by adding aircraft details to the search results! We have an advanced system to find real-time travel promo codes at top airlines, hotels, and travel sites. With these codes, you can get 30% discounts on hotel stays or other deals. Priceline often has Express Deals that offer deep discounts up to 70% off for certain hotels. Our algorithm can predict the hotel name with a 99% accuracy rate. We also have an innovative tool that skips Airbnb's cleaning fees and helps you book directly with the host! Book your next trip with Travel Arrow, where we'll help you find exclusive deals on your favorite travel sites! This developer has not identified itself as a trader.
