I am happy to have found that due not only it looks fantastic is super delicious. I took the Christmas omelette in a cup and the grilled pepper cheese and the man is good. It took me a minute to decide what I wanted due to how much they have. Many delicious choices. This is a great place to stop and take a bite. And it's in a nice quiet city. For me, it's relaxing. Glitchy cloved the atmosphere and service. Great place for coffee and lots of breakfast options. Customization for needs. He has to go and get a coffee. Suman m4 months ago there is a bit of waiting, but it's worth it! I decided to come here instead of going to lhop and I'm happy to have done it. Music stages a great atmosphere that made me not want to leave. The waffles gave me a high sugar. They were delicious. I took the espresso at the mocha of coconut. I highly recommend it. It is strong and sweet at the same time. The atmosphere is very fashionable, cute and reminds me of the cafeteria on "Friends". This place is on my list of new favorites. Look!
