If you do not own the Founder's coat and have been able to use it only thanks to the MCPÊ-84 673 then it works as expected. Only players who downloaded the Founder's Cape skin pack during Minecon 2019 should have the option of using the cape. (From this comment below) Steps to reproduce: To possess the skin pack «Capo del Fondatore» Go to the «Capi» tab in the creator of the characters Observed results: The founder's cloak is missing. Expected results: The mantle of the founder should appear in the tab «Capi». Original description: Dear Representative Mojang, I have just thought to let you know that my founder's cloak on this PC Minecraft Bedrock, which I downloaded back when it came out, mysteriously disappeared..... Yes, it is not listed in The list of caps I own in the Creator of Characters, and so I can't remove them from my main character because of the fact that I won't be able to put them back. Â So have fun with this bug... Rockatoa, Brickticks out! 0 Author: Bernard Date: 16.08.2021, 01:29 It is no longer necessary to unlock the caps, now they are available as a large 60 pack. You are free to choose one of the caps you like simply by going to the settings. Move the cursor to change the cloak you are wearing. In this post, all levels are provided in a single package that must be installed only once. Of course, the caps are visible to anyone who has installed this package. From: Chainsketch â€If you have never met any mantle before, keep in mind that they have no functional features. First of all, the mantle is an aesthetic accessory that distinguishes you from the rest of the players and in Minecraft PE you can still get one or more official coats. But unlike them, this pack features 60 animated and static caps at the same time. The animated ones are more complex and are only available as addon. By default, you have a standard cape model. To choose one, open the addon settings: there, move the cursor to one of the sides to change the coat. All work with mobile devices.1. Open the file (.mcpack) using Minecraft PE.2. Activate the addon (world or game settings). Advise: You are looking for a guide that can explain in detail how to put theon Minecraft PE? Â Very well, you found it!
