Image not available forColor: To view this video download Flash Player Sorry, there are some problems adding items to the basket, but we are working hard to fix it! Please try again later. Home » Various » Instruction manual Ikea Kallax PDF shelf It has happened to everyone at some point that when you buy a piece of furniture in Ikea, it comes without assembly instructions or that you yourself have placed them wrong. This is certainly a problem because we do not realize how difficult the whole process is until it is time to assemble the furniture and you realize that you have lost the user manual. And this is precisely why you have taken OwnersmanualPDF, because you have purchased the Kallax Ikea shelf unit and you cannot find the installation guide that should come in the box. Well, don't worry, because at the end of this article you will find the installation guide in PDF format, so you can assemble this piece of furniture without problems. Why should you download The Ikea Kallax Shelving System PDF User Manual?. Having a PDF-format installation guide will allow you to proceed with its assembly without the need for a physical format guide that is subject to inclement weather and possible losses. In addition, having a digital manual for the Ikea Kallax shelf will allow you to solve some problems that are present in the manuals in physical format, such as: Furniture does not come with an installation guide It has happened very rarely, but sometimes when I bought a furniture, I found that an installation book was not included in the box. Luckily, Ikea provides us with PDF-format guides for your furniture, as is the case of this Kallax shelf unit you can find at the end of this article. Another possibility is that you have lost the assembly manual for the Kallax library.
